post

Does the worm
turn?

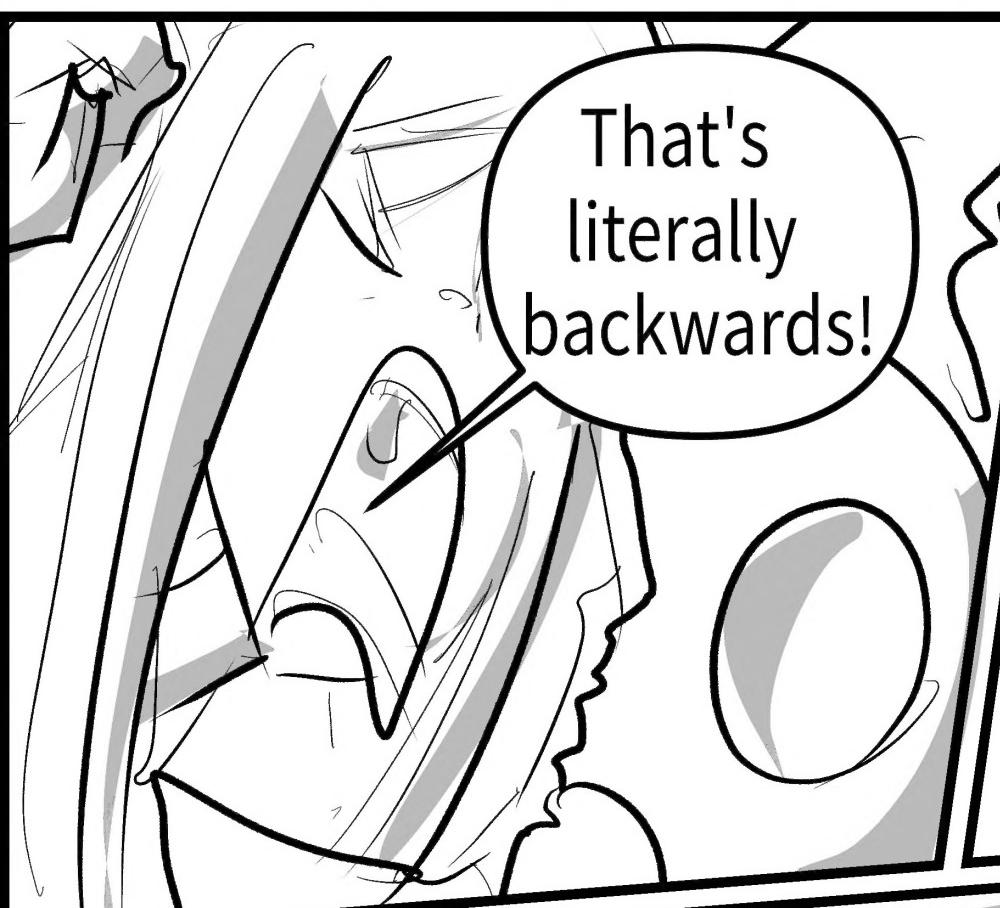

I'll be shrill as an oil spill if that makes me impossible to ignore!

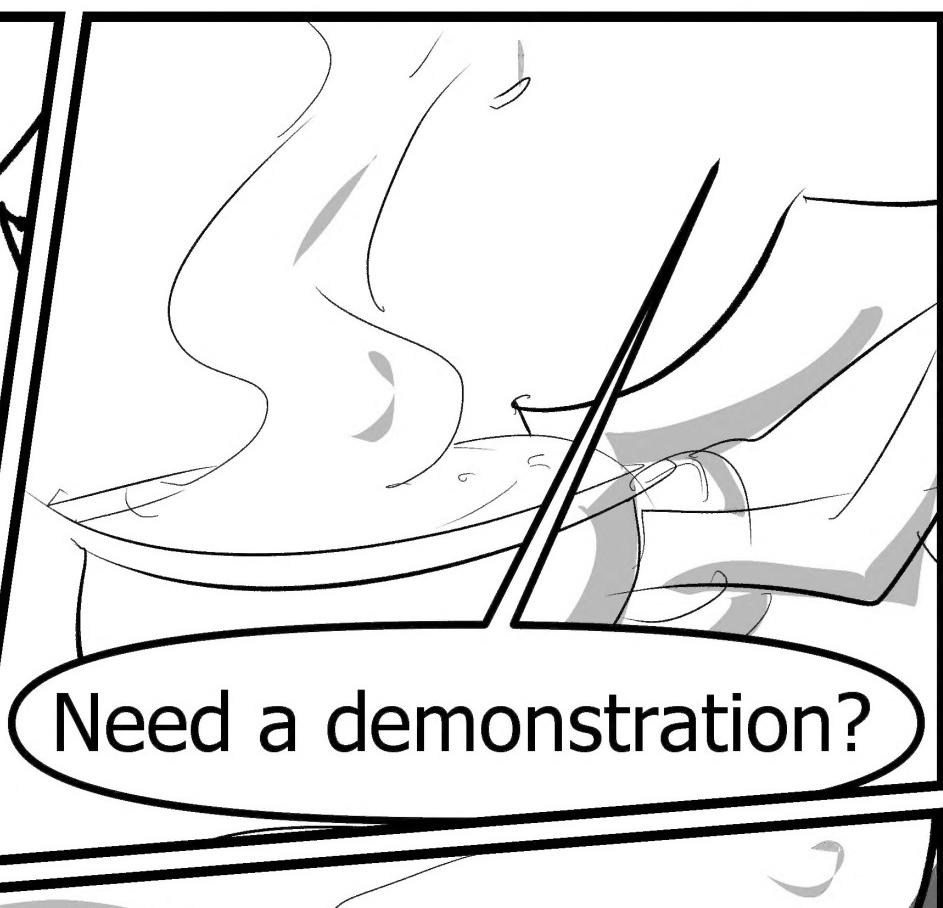

Kids these days...

Don't even know the wisdom of problems going away on their own if one doesn't pay them any mind

That's literally backwards!

Need a demonstration?

This tea is scalding hot

but if I just do nothing...

WB

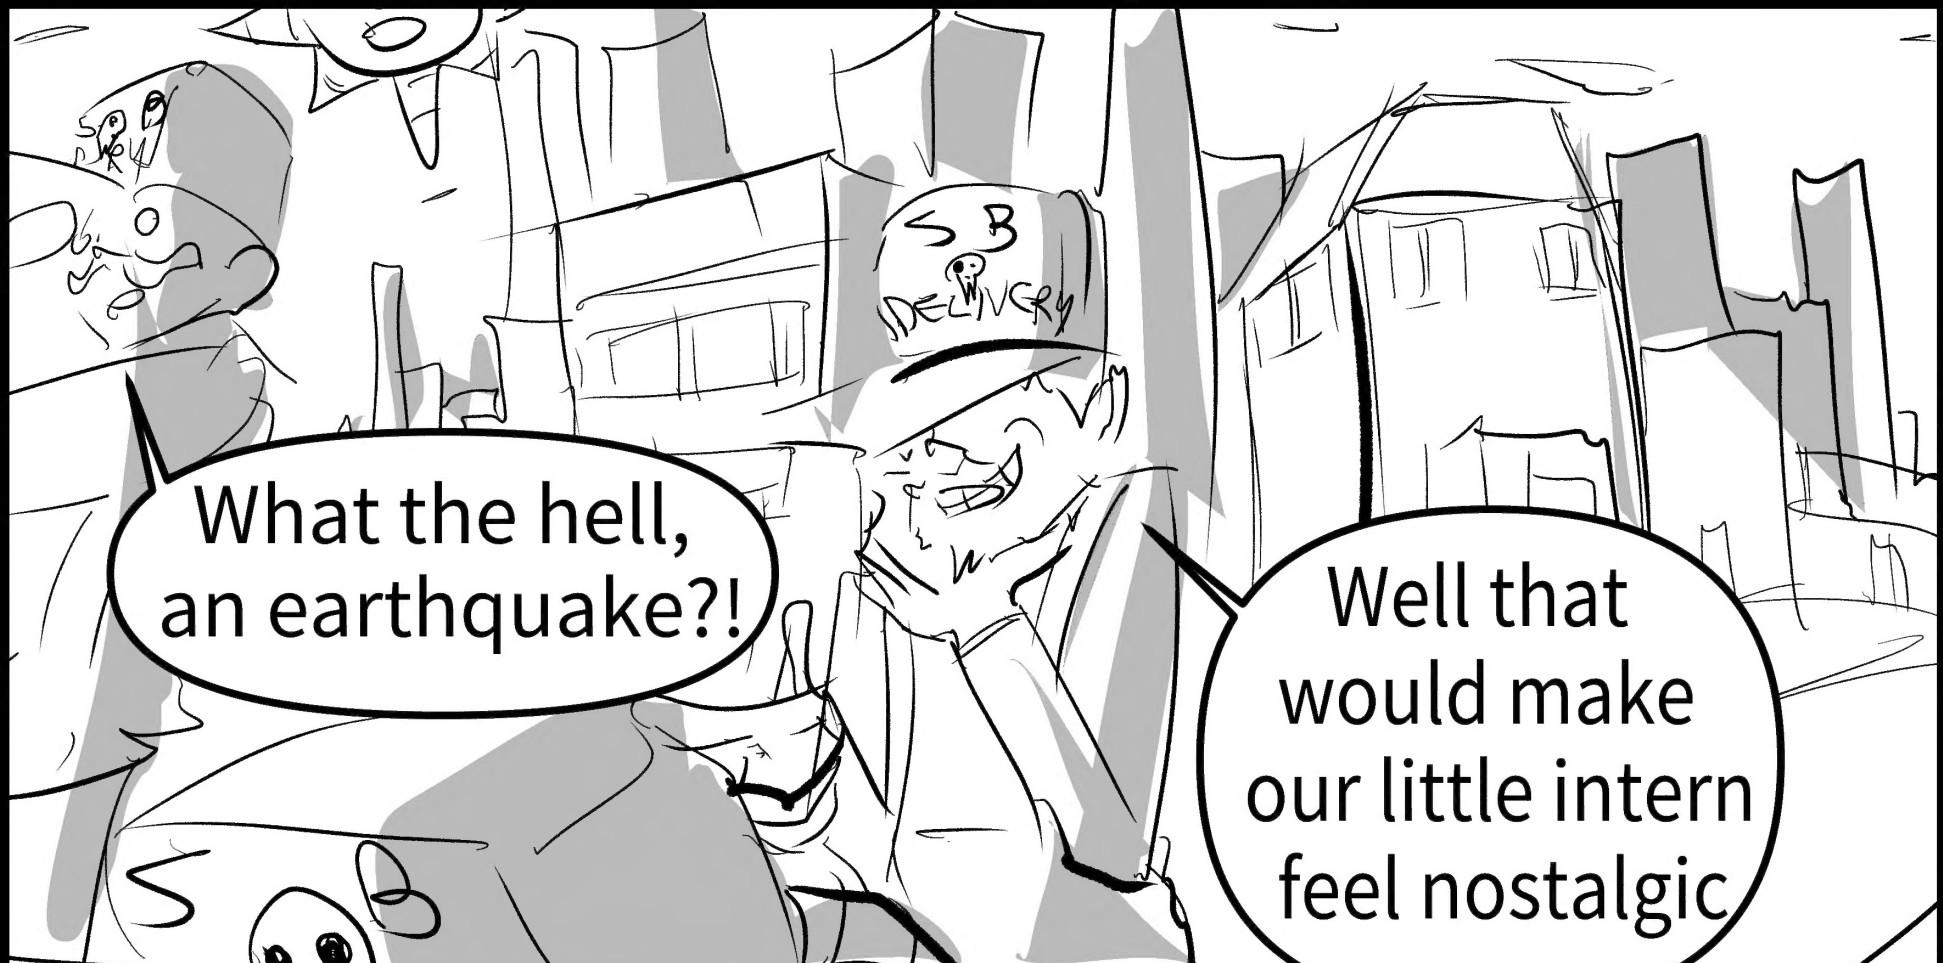

AAAHH,
HOT!

PATTY! I can
feel her, you
were right Lord!

Weapons can't
feel souls-

And weren't
you Patty?

And where did my tea go???

What the hell,
an earthquake?!

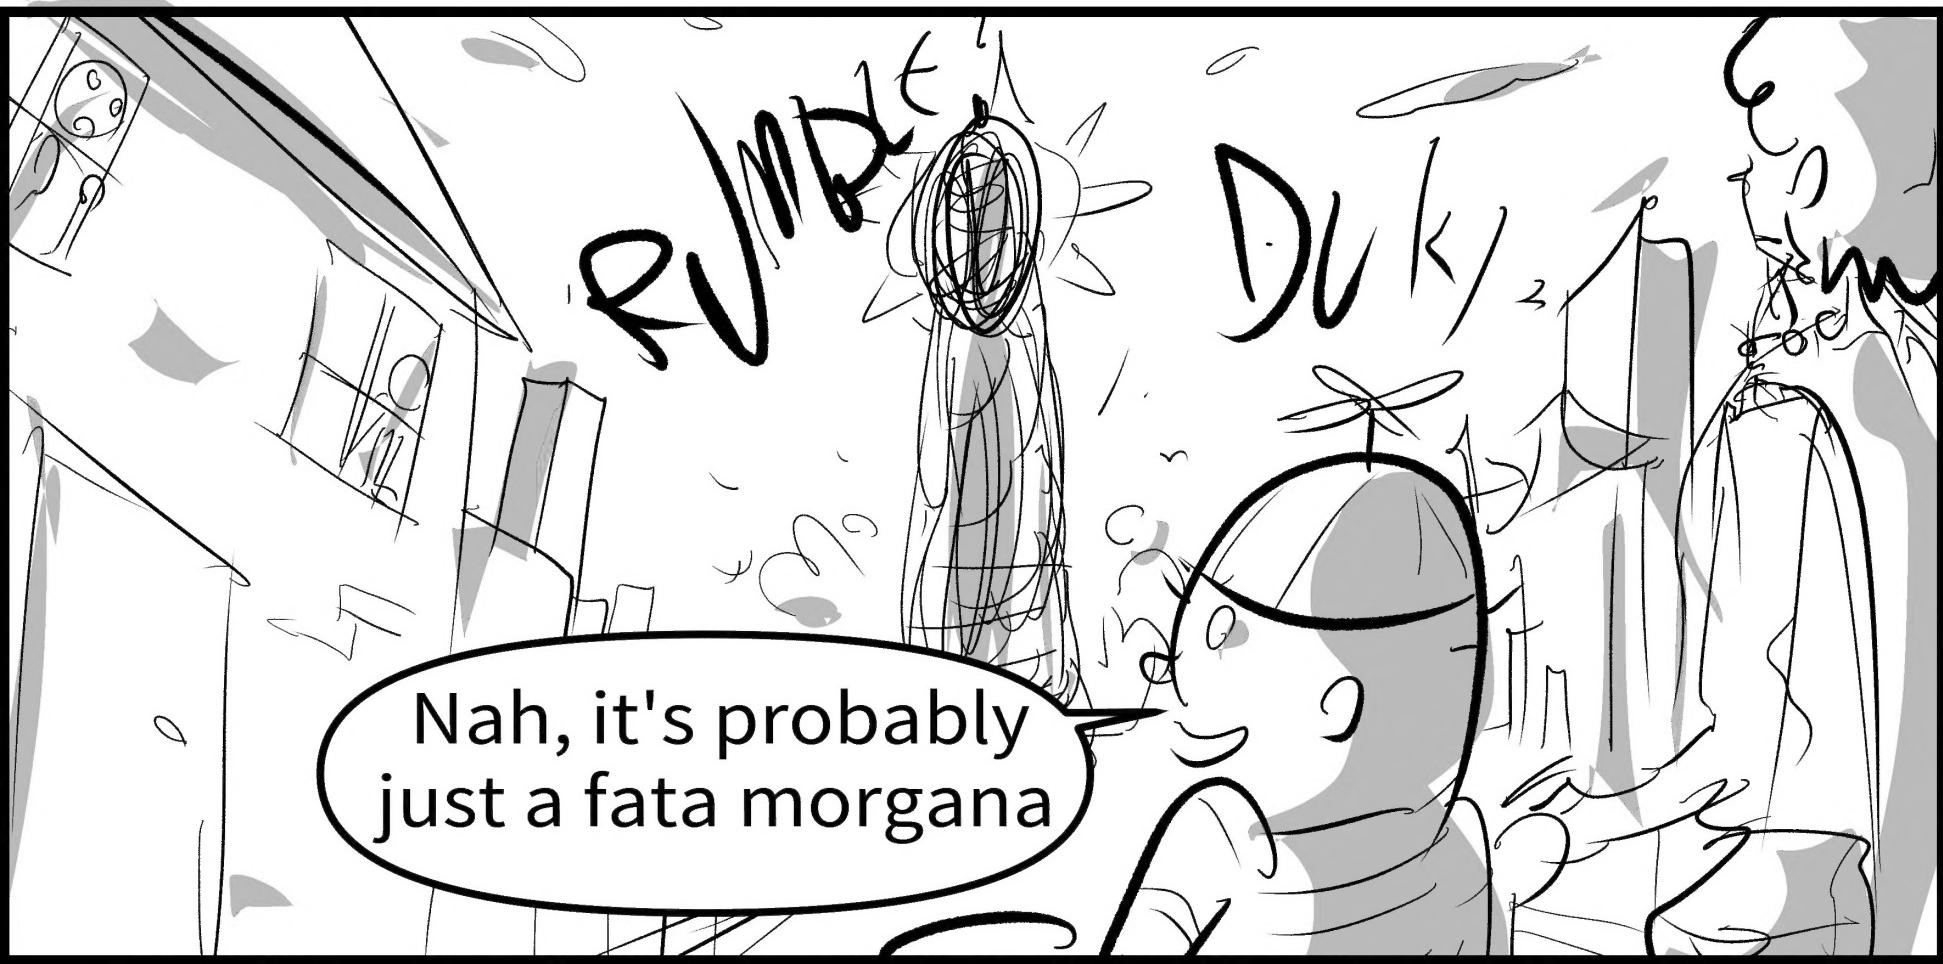

Well that
would make
our little intern
feel nostalgic

No it's something else

A worm!

Nah, it's probably
just a fata morgana

My sister isn't
some mirage!

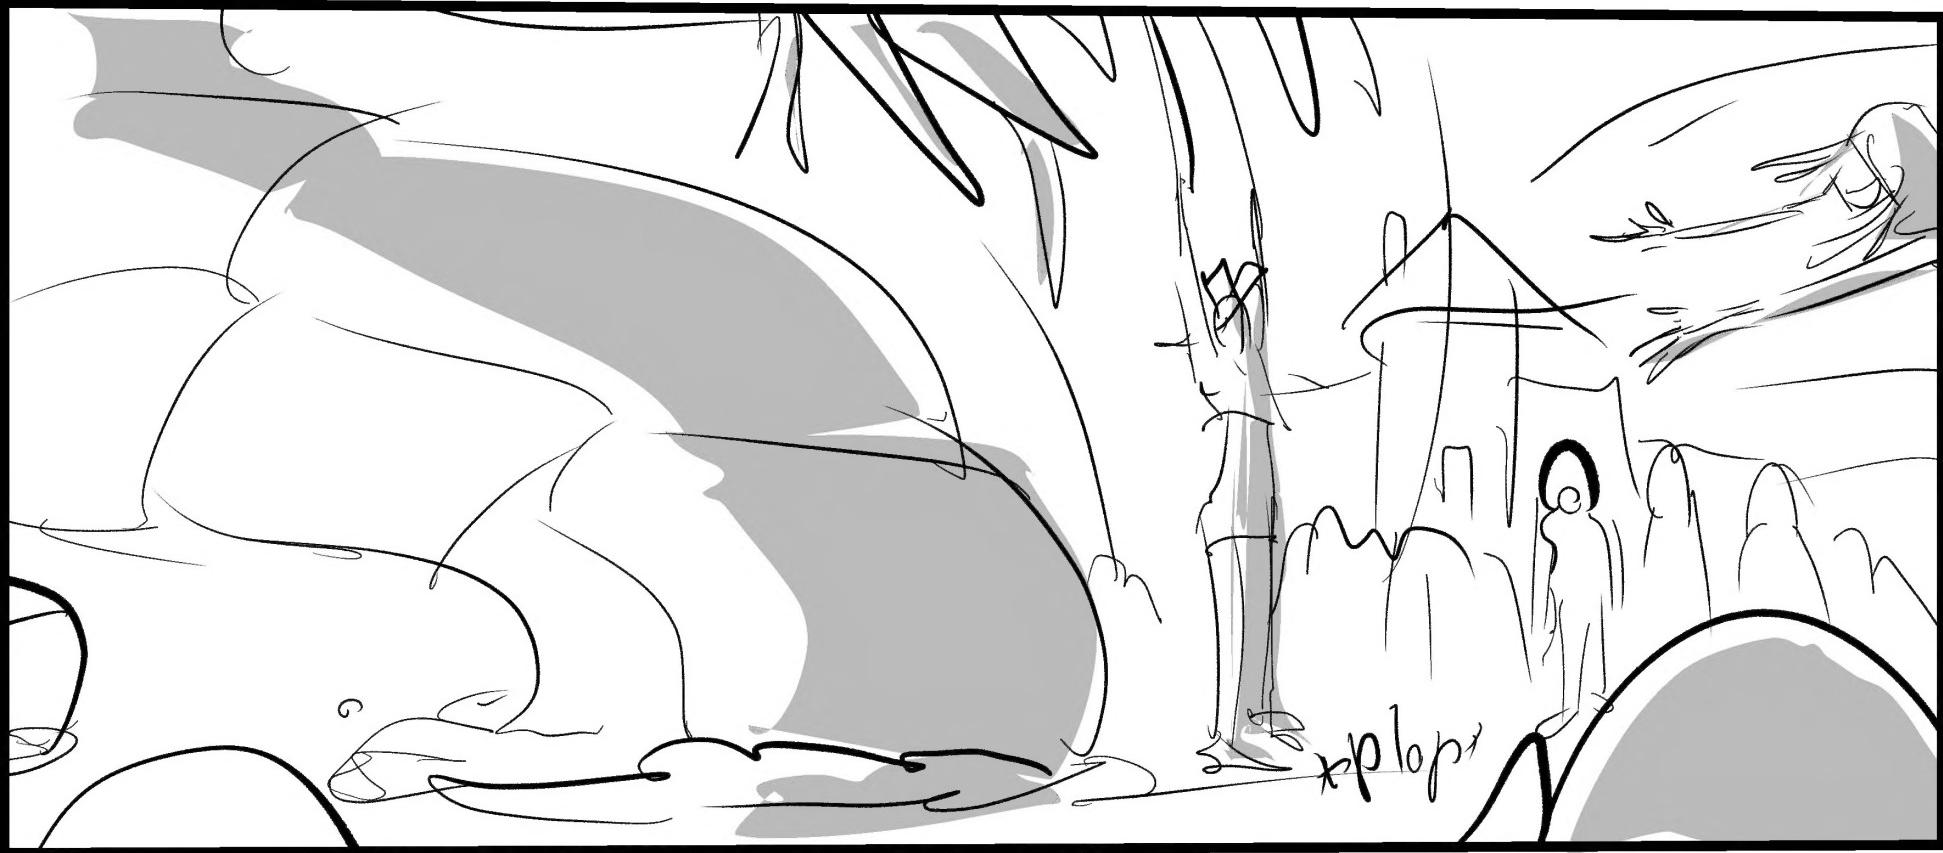

Sister? Guess
I see the
resemblance
heh...

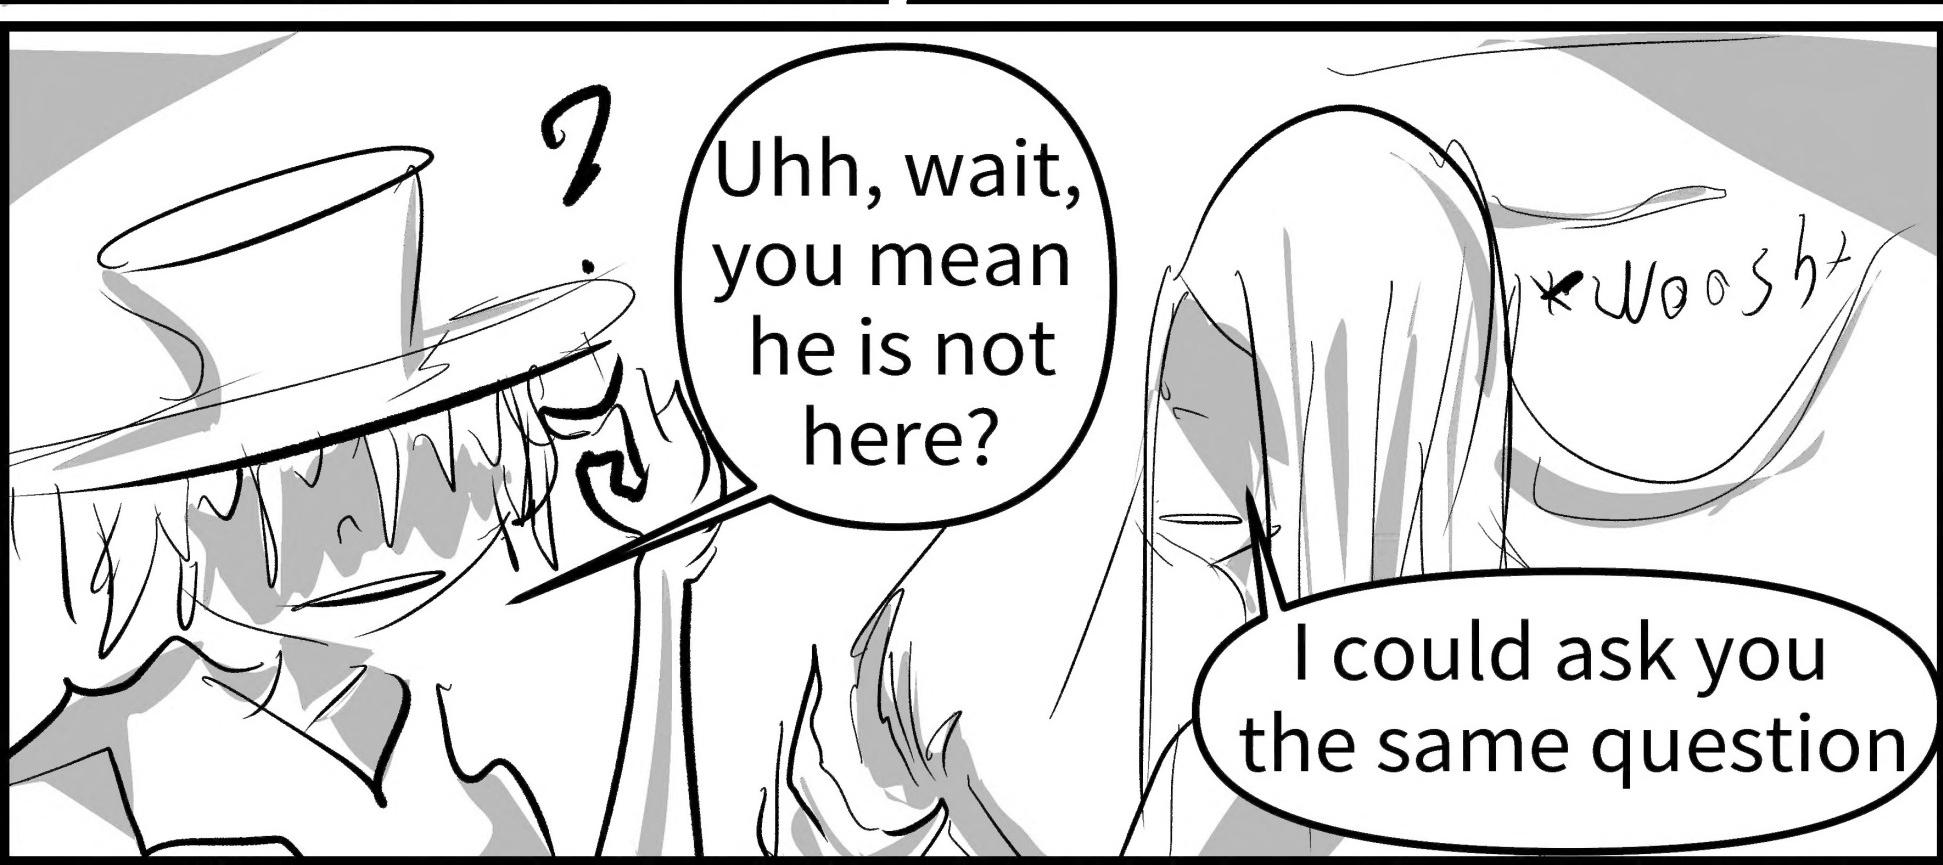

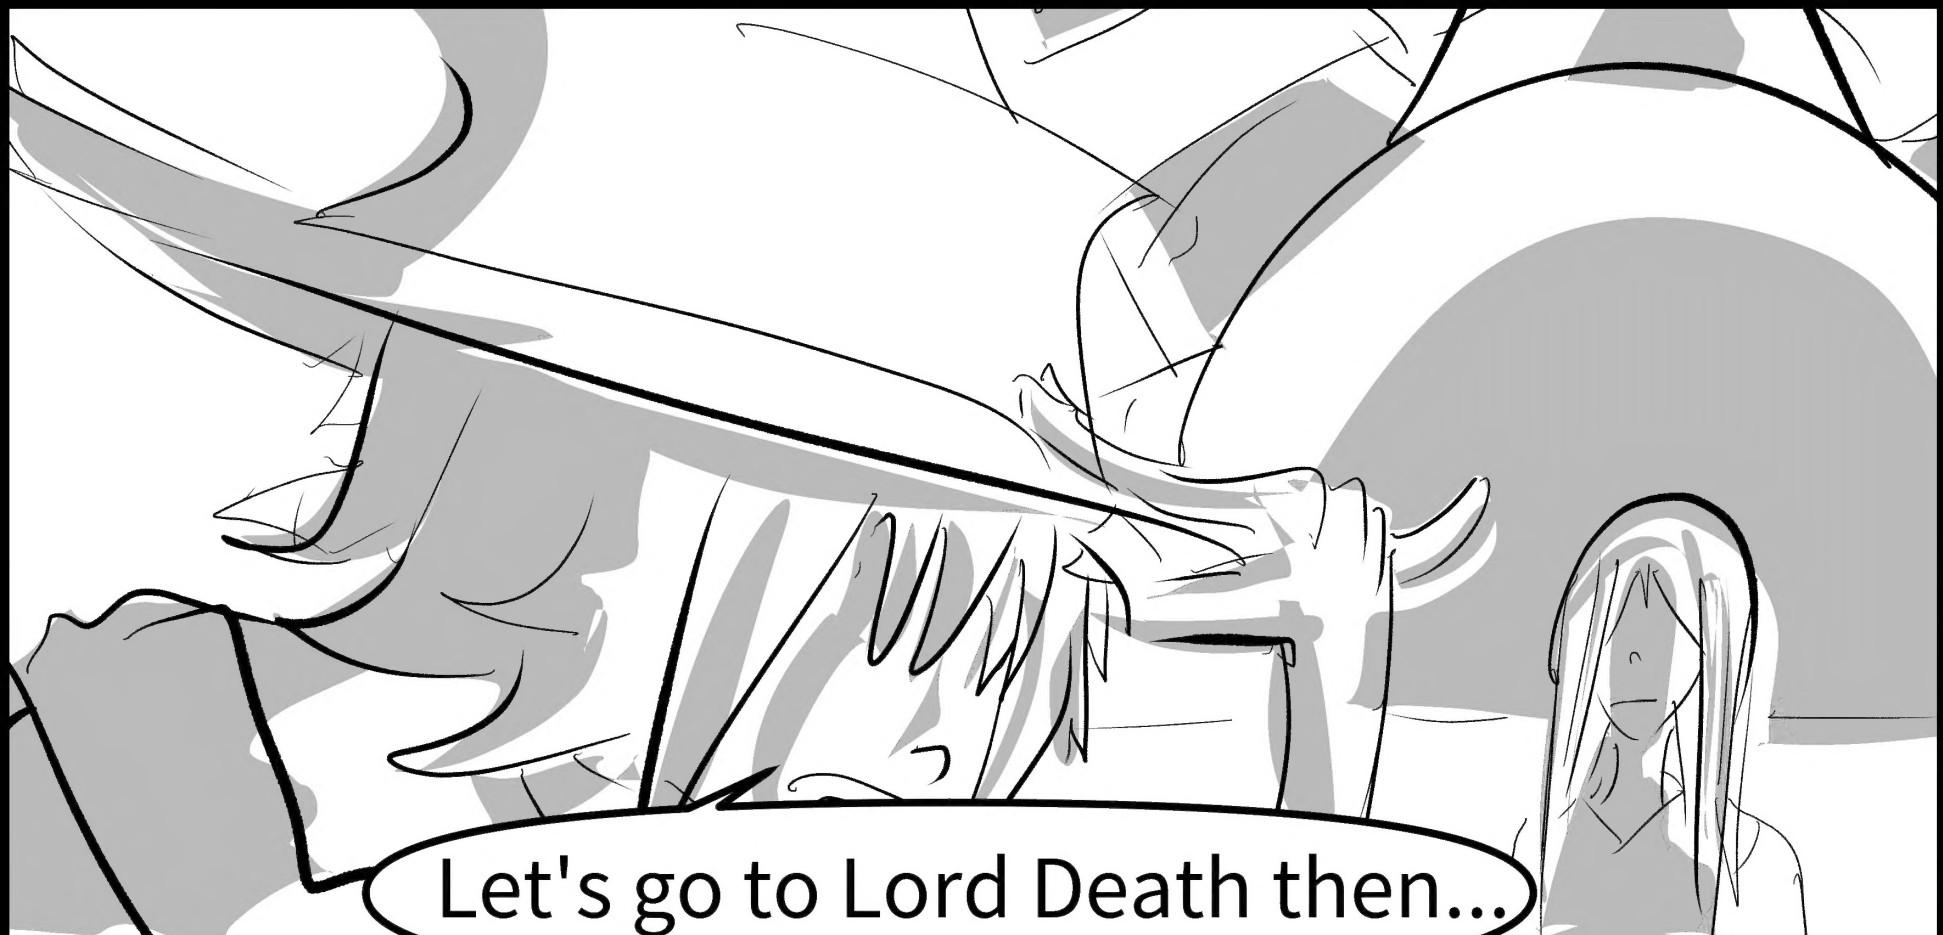

Hm,
close
enough

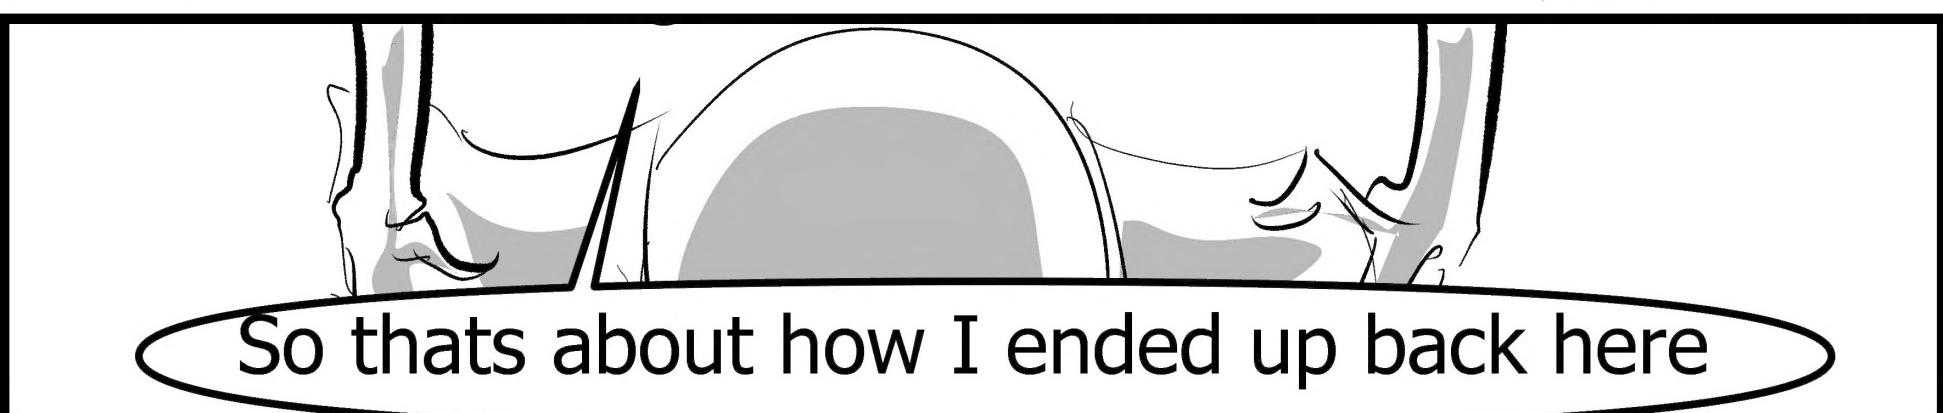

You stay
here, I'll
build a
stable or
something

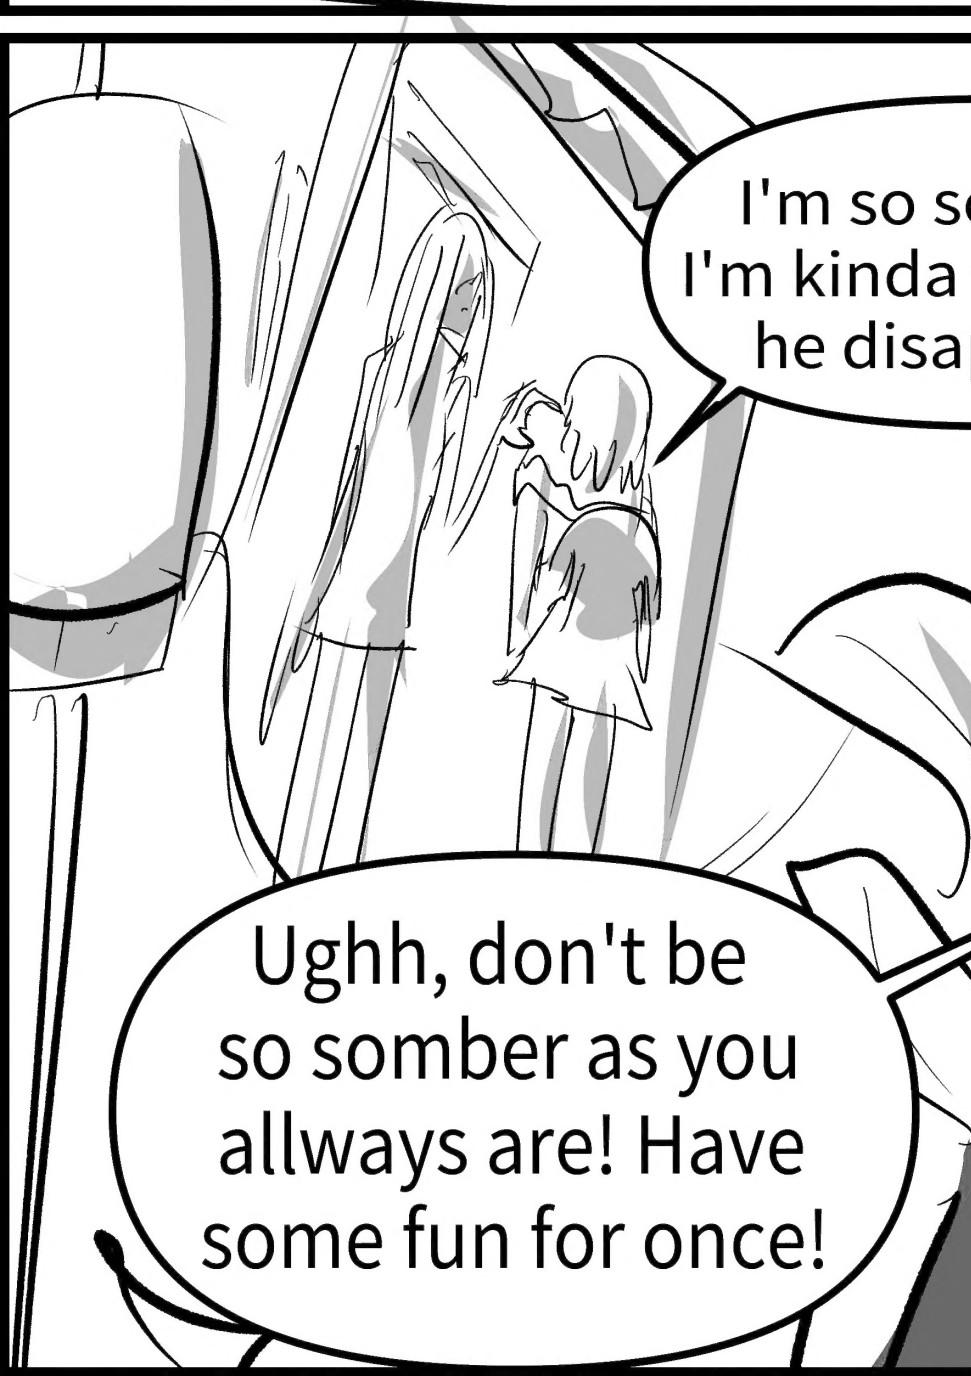

Let's go to Lord Death then...

So that's about how I ended up back here

I'm so sorry that
I'm kinda the reason
he disappeared

Ughh, don't be
so somber as you
allways are! Have
some fun for once!

cough
he'll be
fine

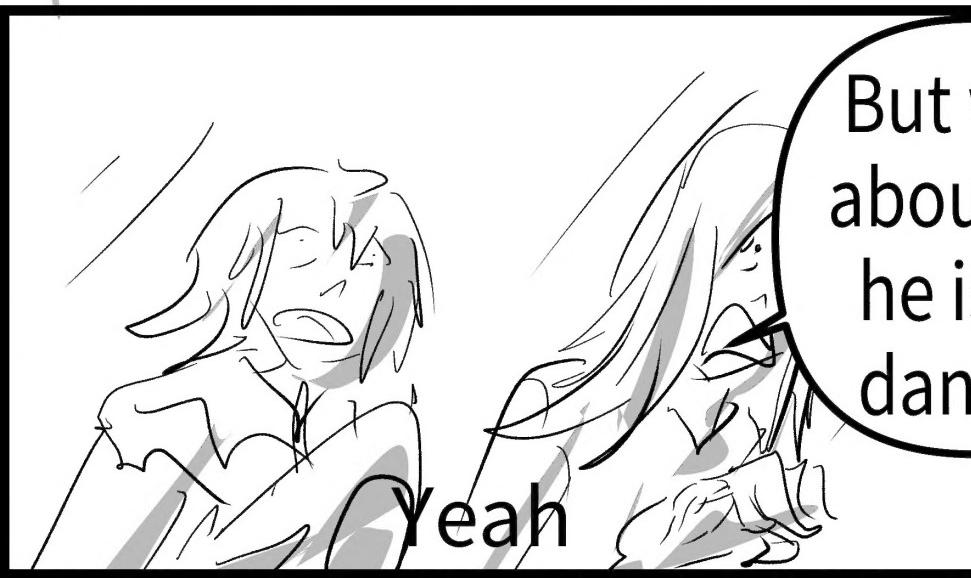

Oh also congratulations
on becoming a death scythe,
that's not something anybody
can do! We might need to do
big party in your honor!

He must be
doing this on
purpose, thank
God Tsubaki
isn't here...

Anyway,
with that
out of the
way, bye
bye!

But what
about Kid,
he is in
danger-

Bye Bye!

Yeah

Was he
allways
that, eh-

Senile?
I think not

Maybe he's
jus testing
his acting
chops!

Finally I can take
a nap after those
whippersnappers
Marie and Azusa
have left...

Even if...

How can we
just do nothing?

We can't

huh?

We'll find that
crybaby sooner
or later!

We wil!

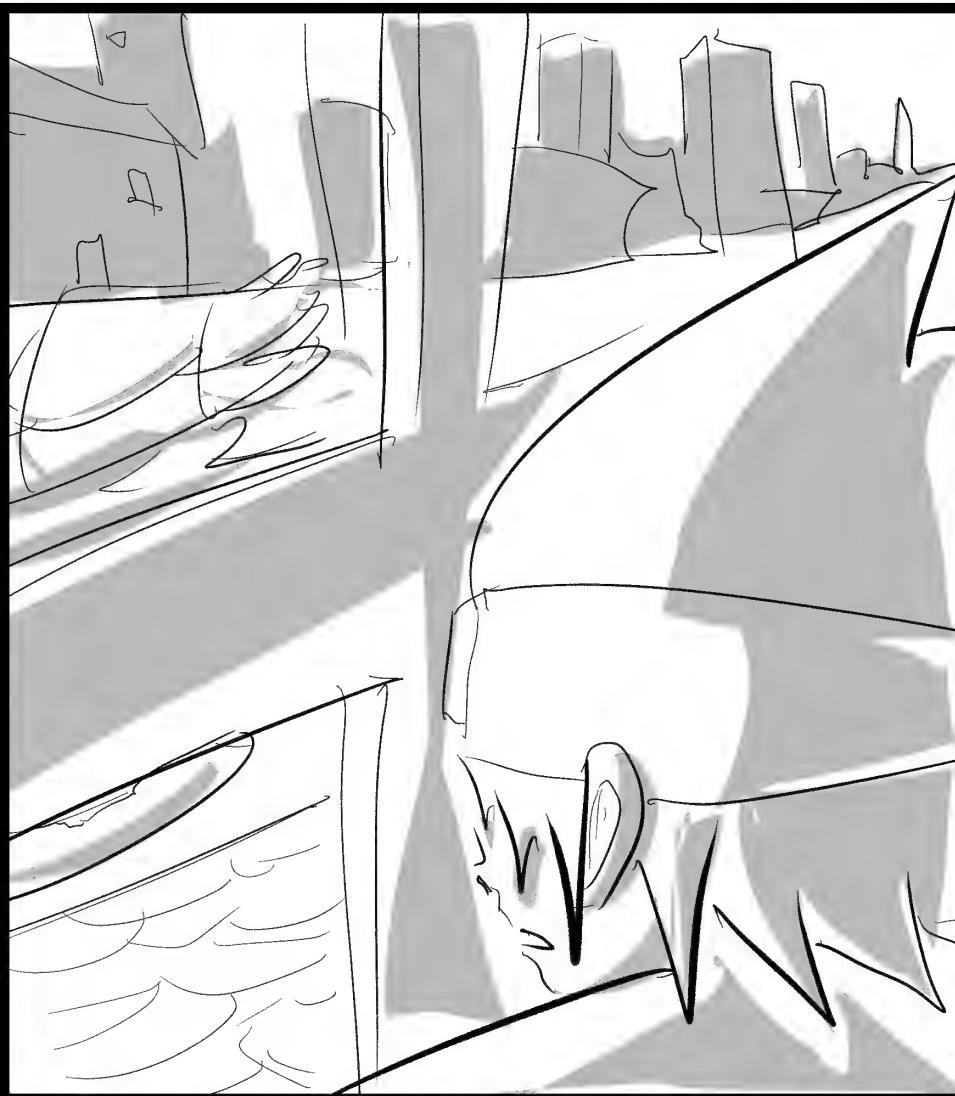

But in the meantime, lets enjoy
messing up the masion!

I miss sleeping on an actuall bed!

Oi Patty, don't forget to feed your new grose pet as allways!

Yeah, yeah... I'm not a baby ya know?

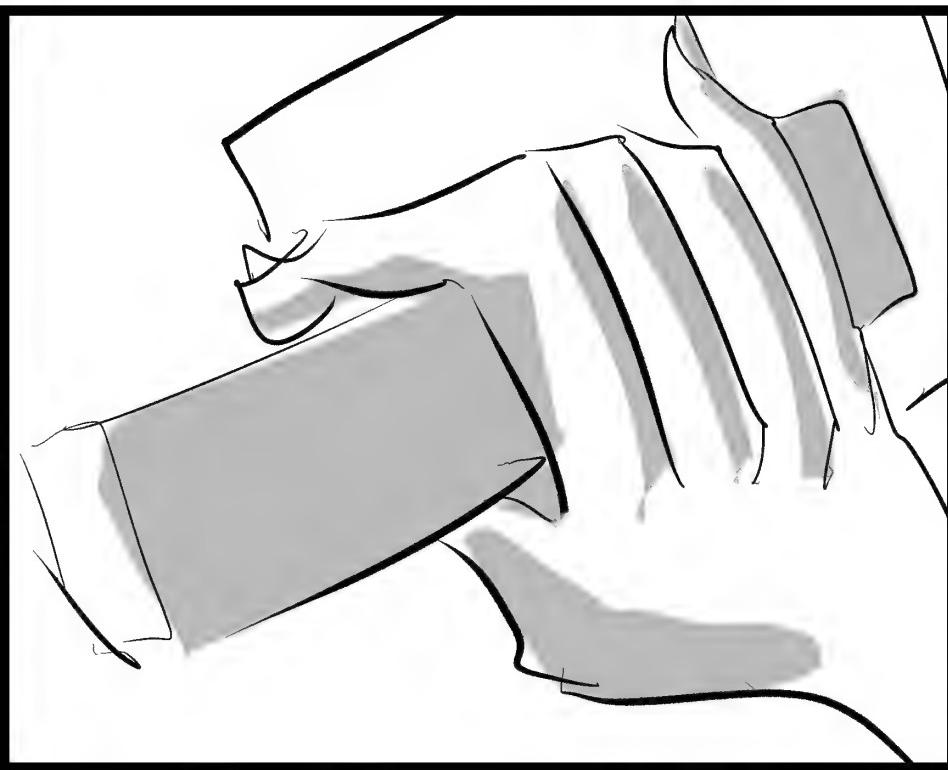

Am I seeing things now?

Or do I have literal brainworms?

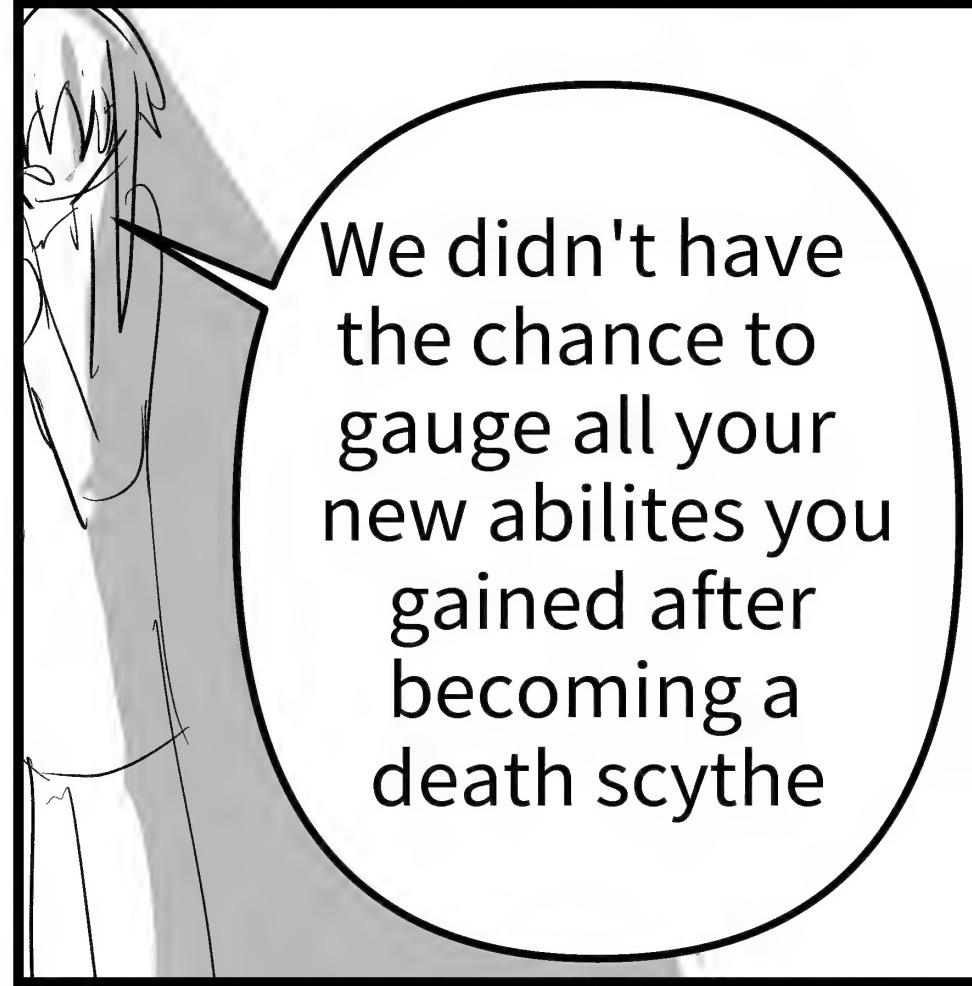

I need some
fresh air
or I'll...

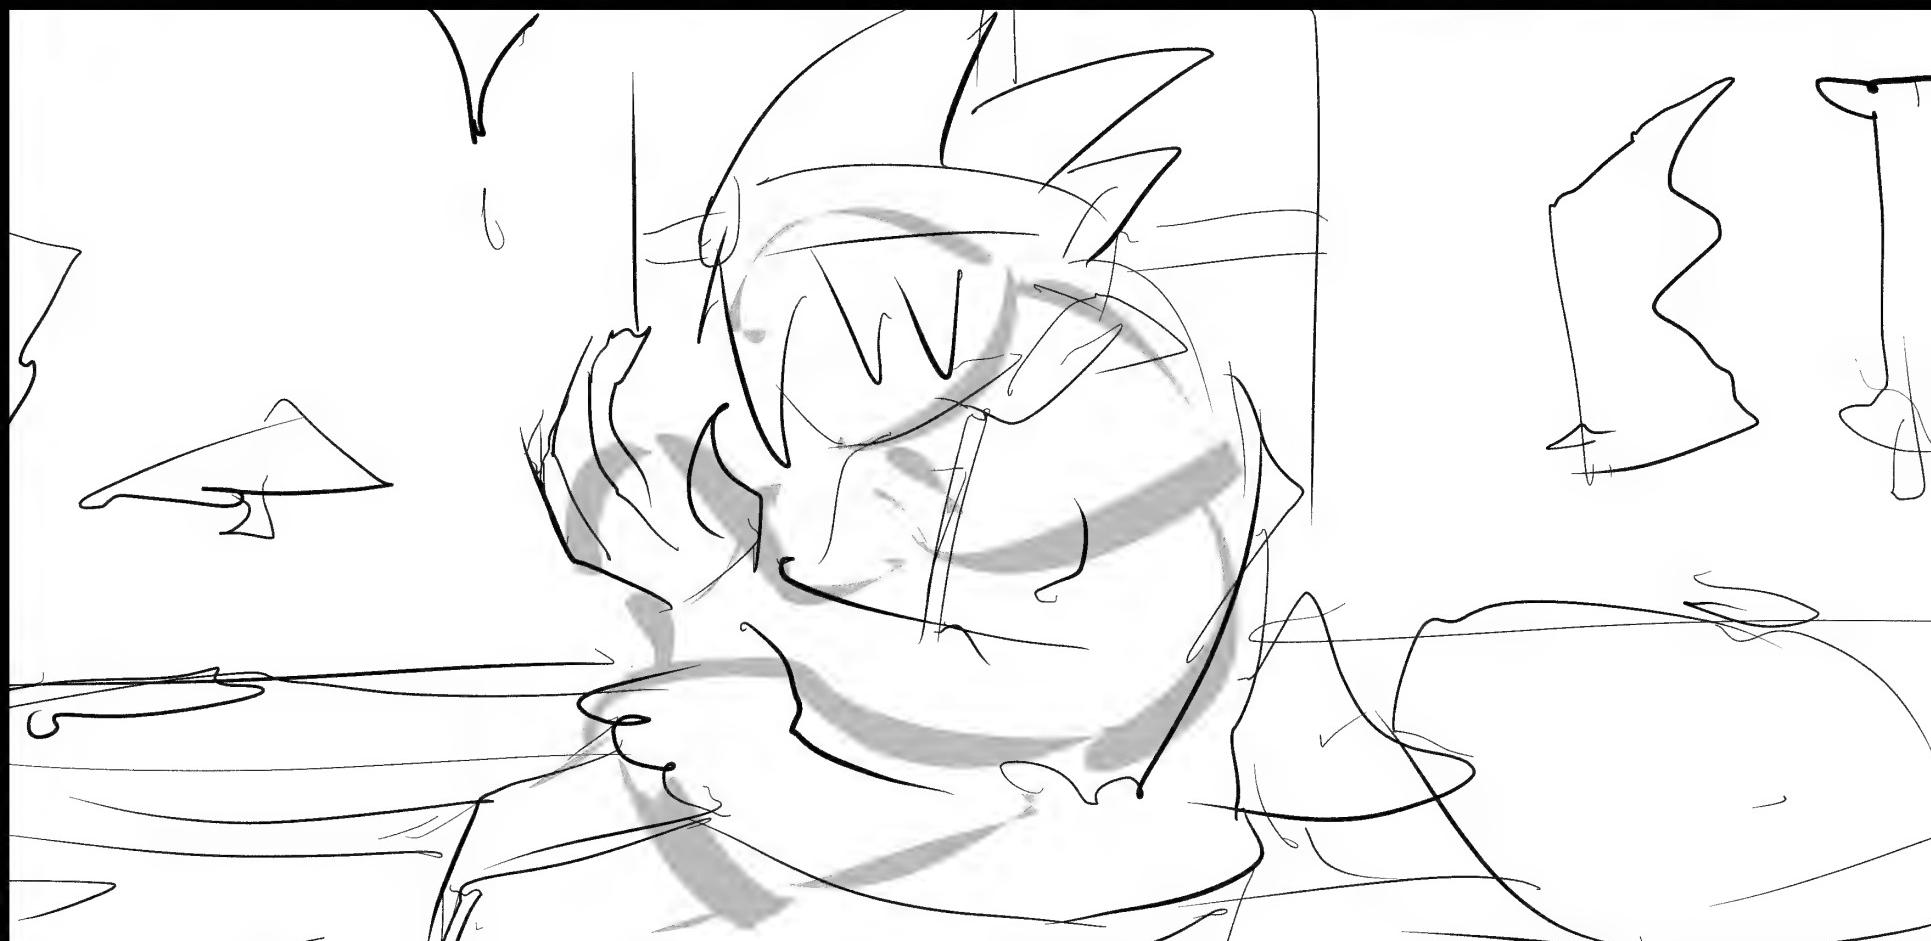

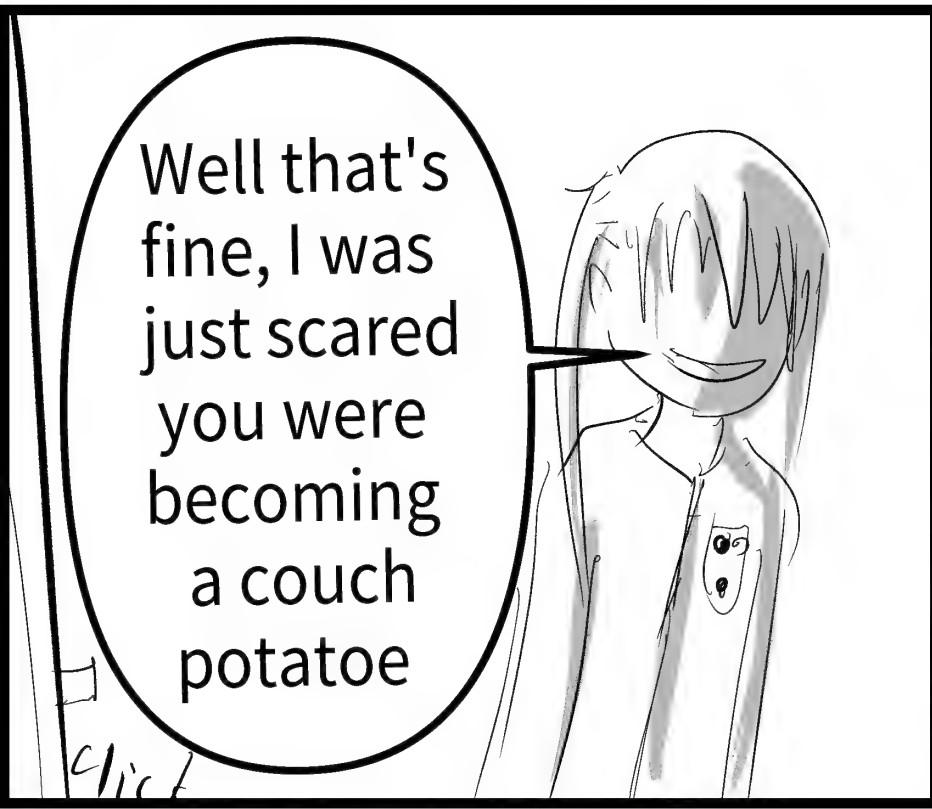

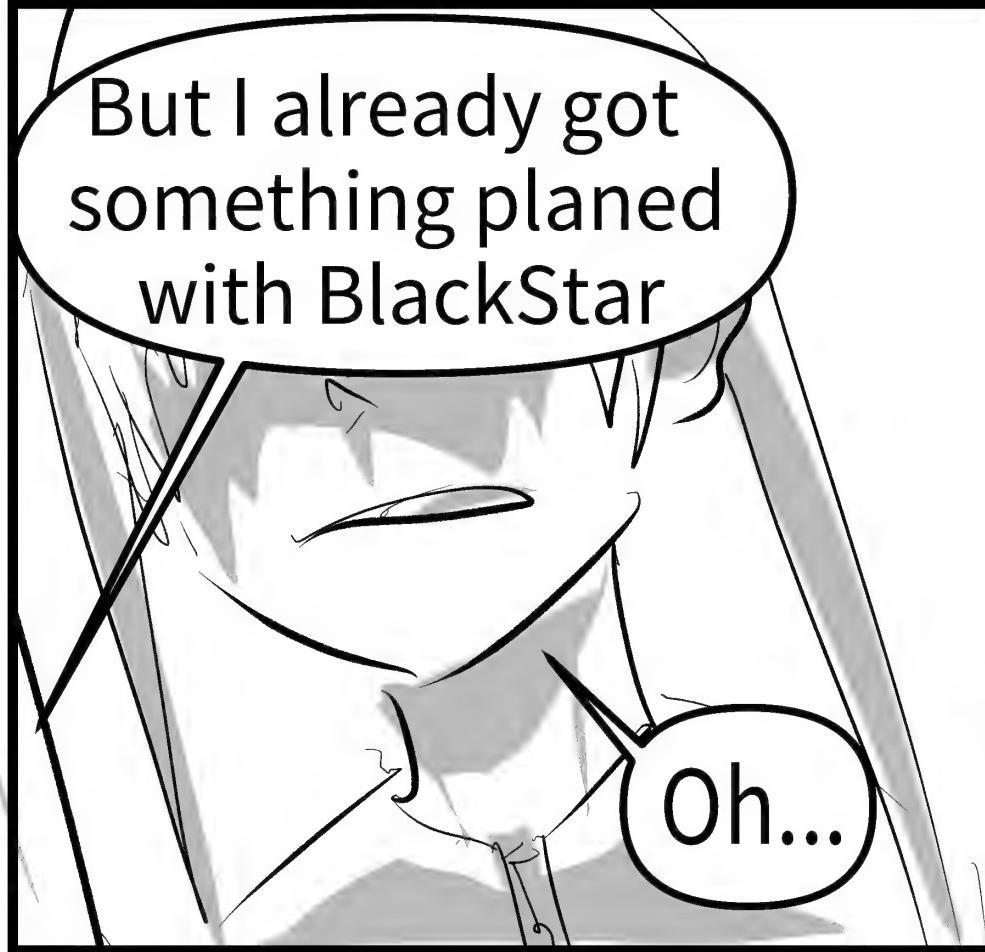

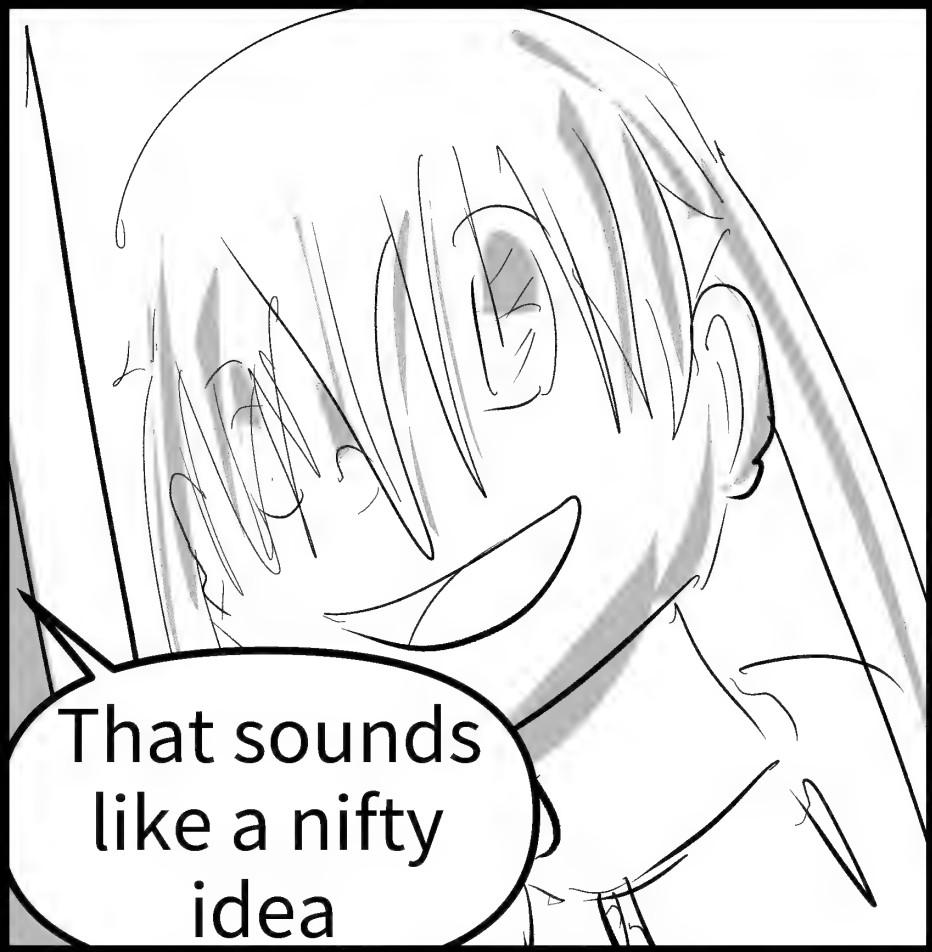

Hey Soul,
I thought that
instead of
me going to the
library, we can
go for a bit of
weapon practice

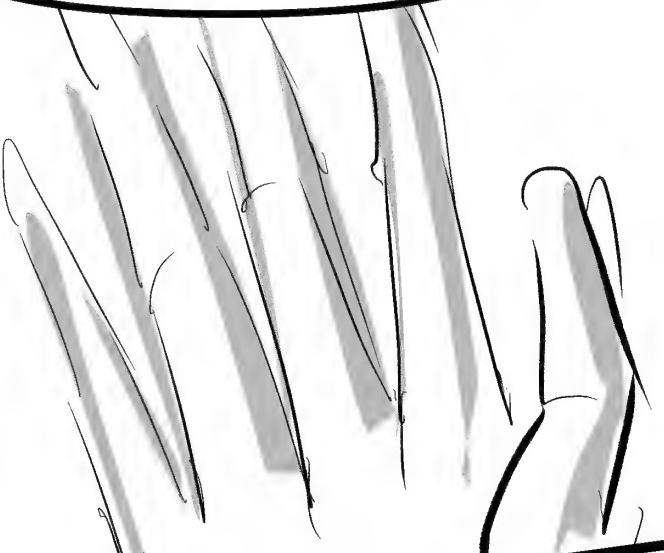

We didn't have
the chance to
gauge all your
new abilities you
gained after
becoming a
death scythe

Here, take this

Part-timer usually
don't do overtime

Thank you for
the generous
compensation

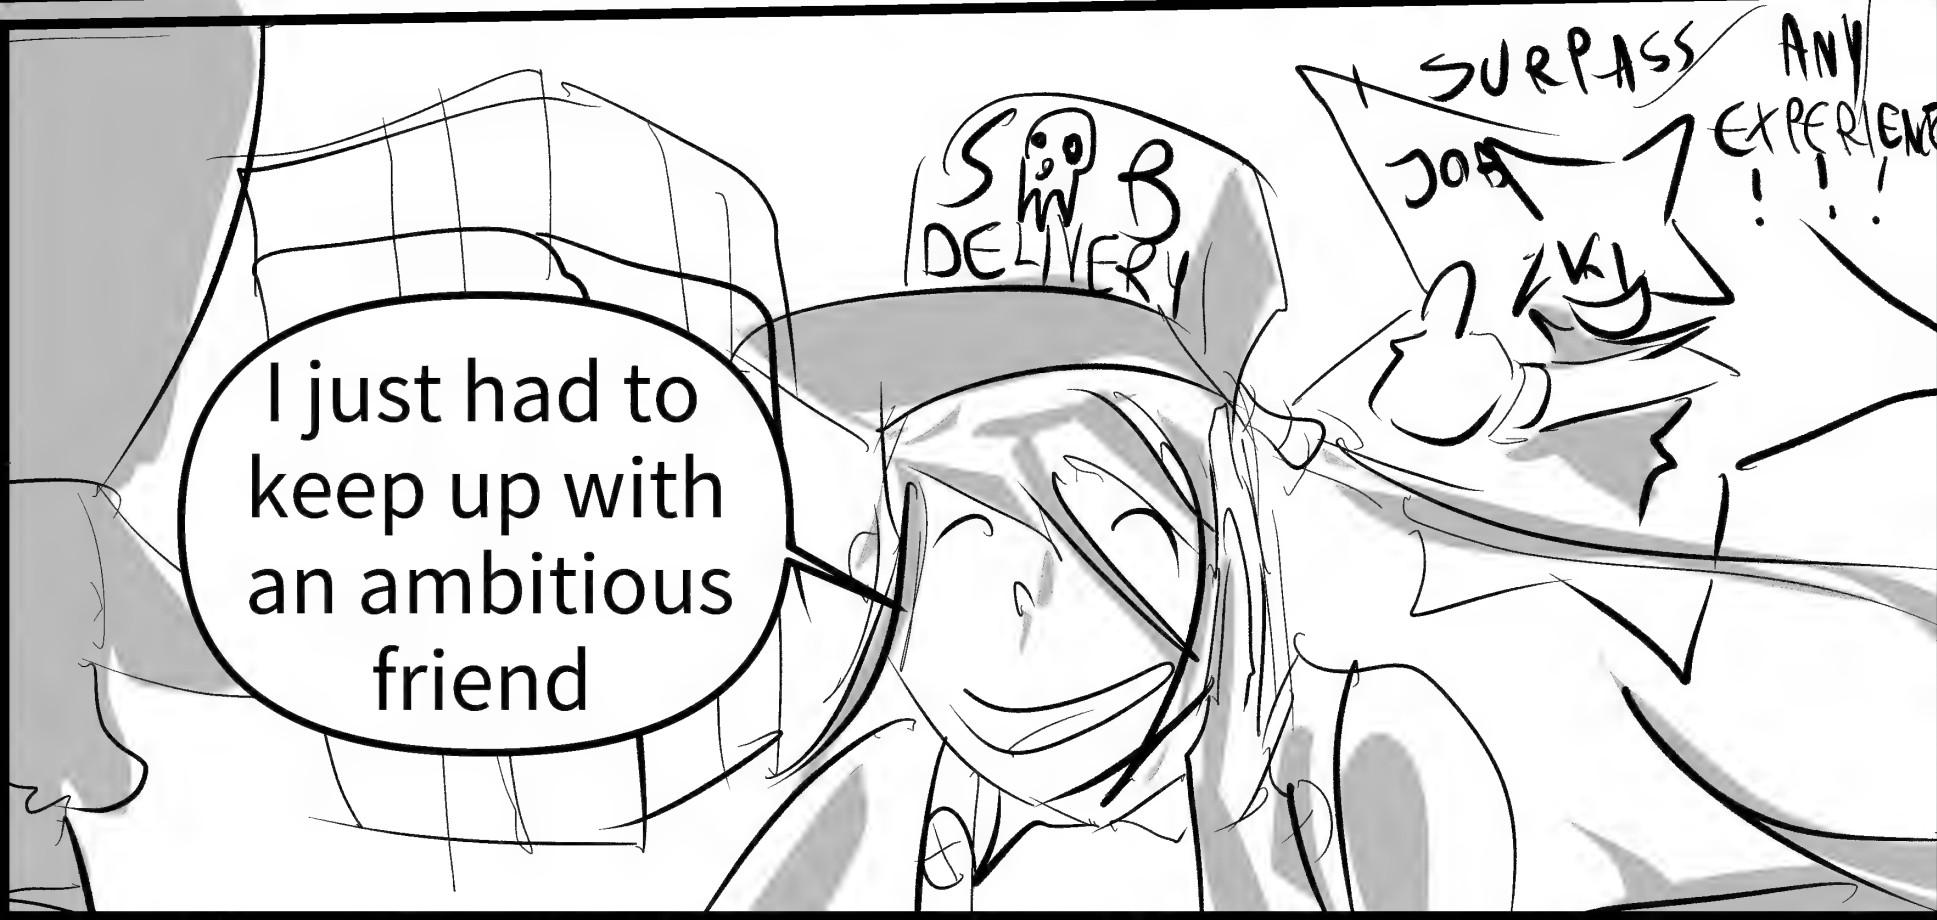

But no blisters after all
day, did you grow up
doing hard labour on a
farm or something?

Well not exactly

I just had to
keep up with
an ambitious
friend

Well, lets see if
this new pal of
ours is even more
demanding

I doubt
that, sir

well

back
to

work

Man, even my boredom is the biggest!

Common Soul!

Lets do something
dumb and fun like
we used to do wayyy
back (a month ago)

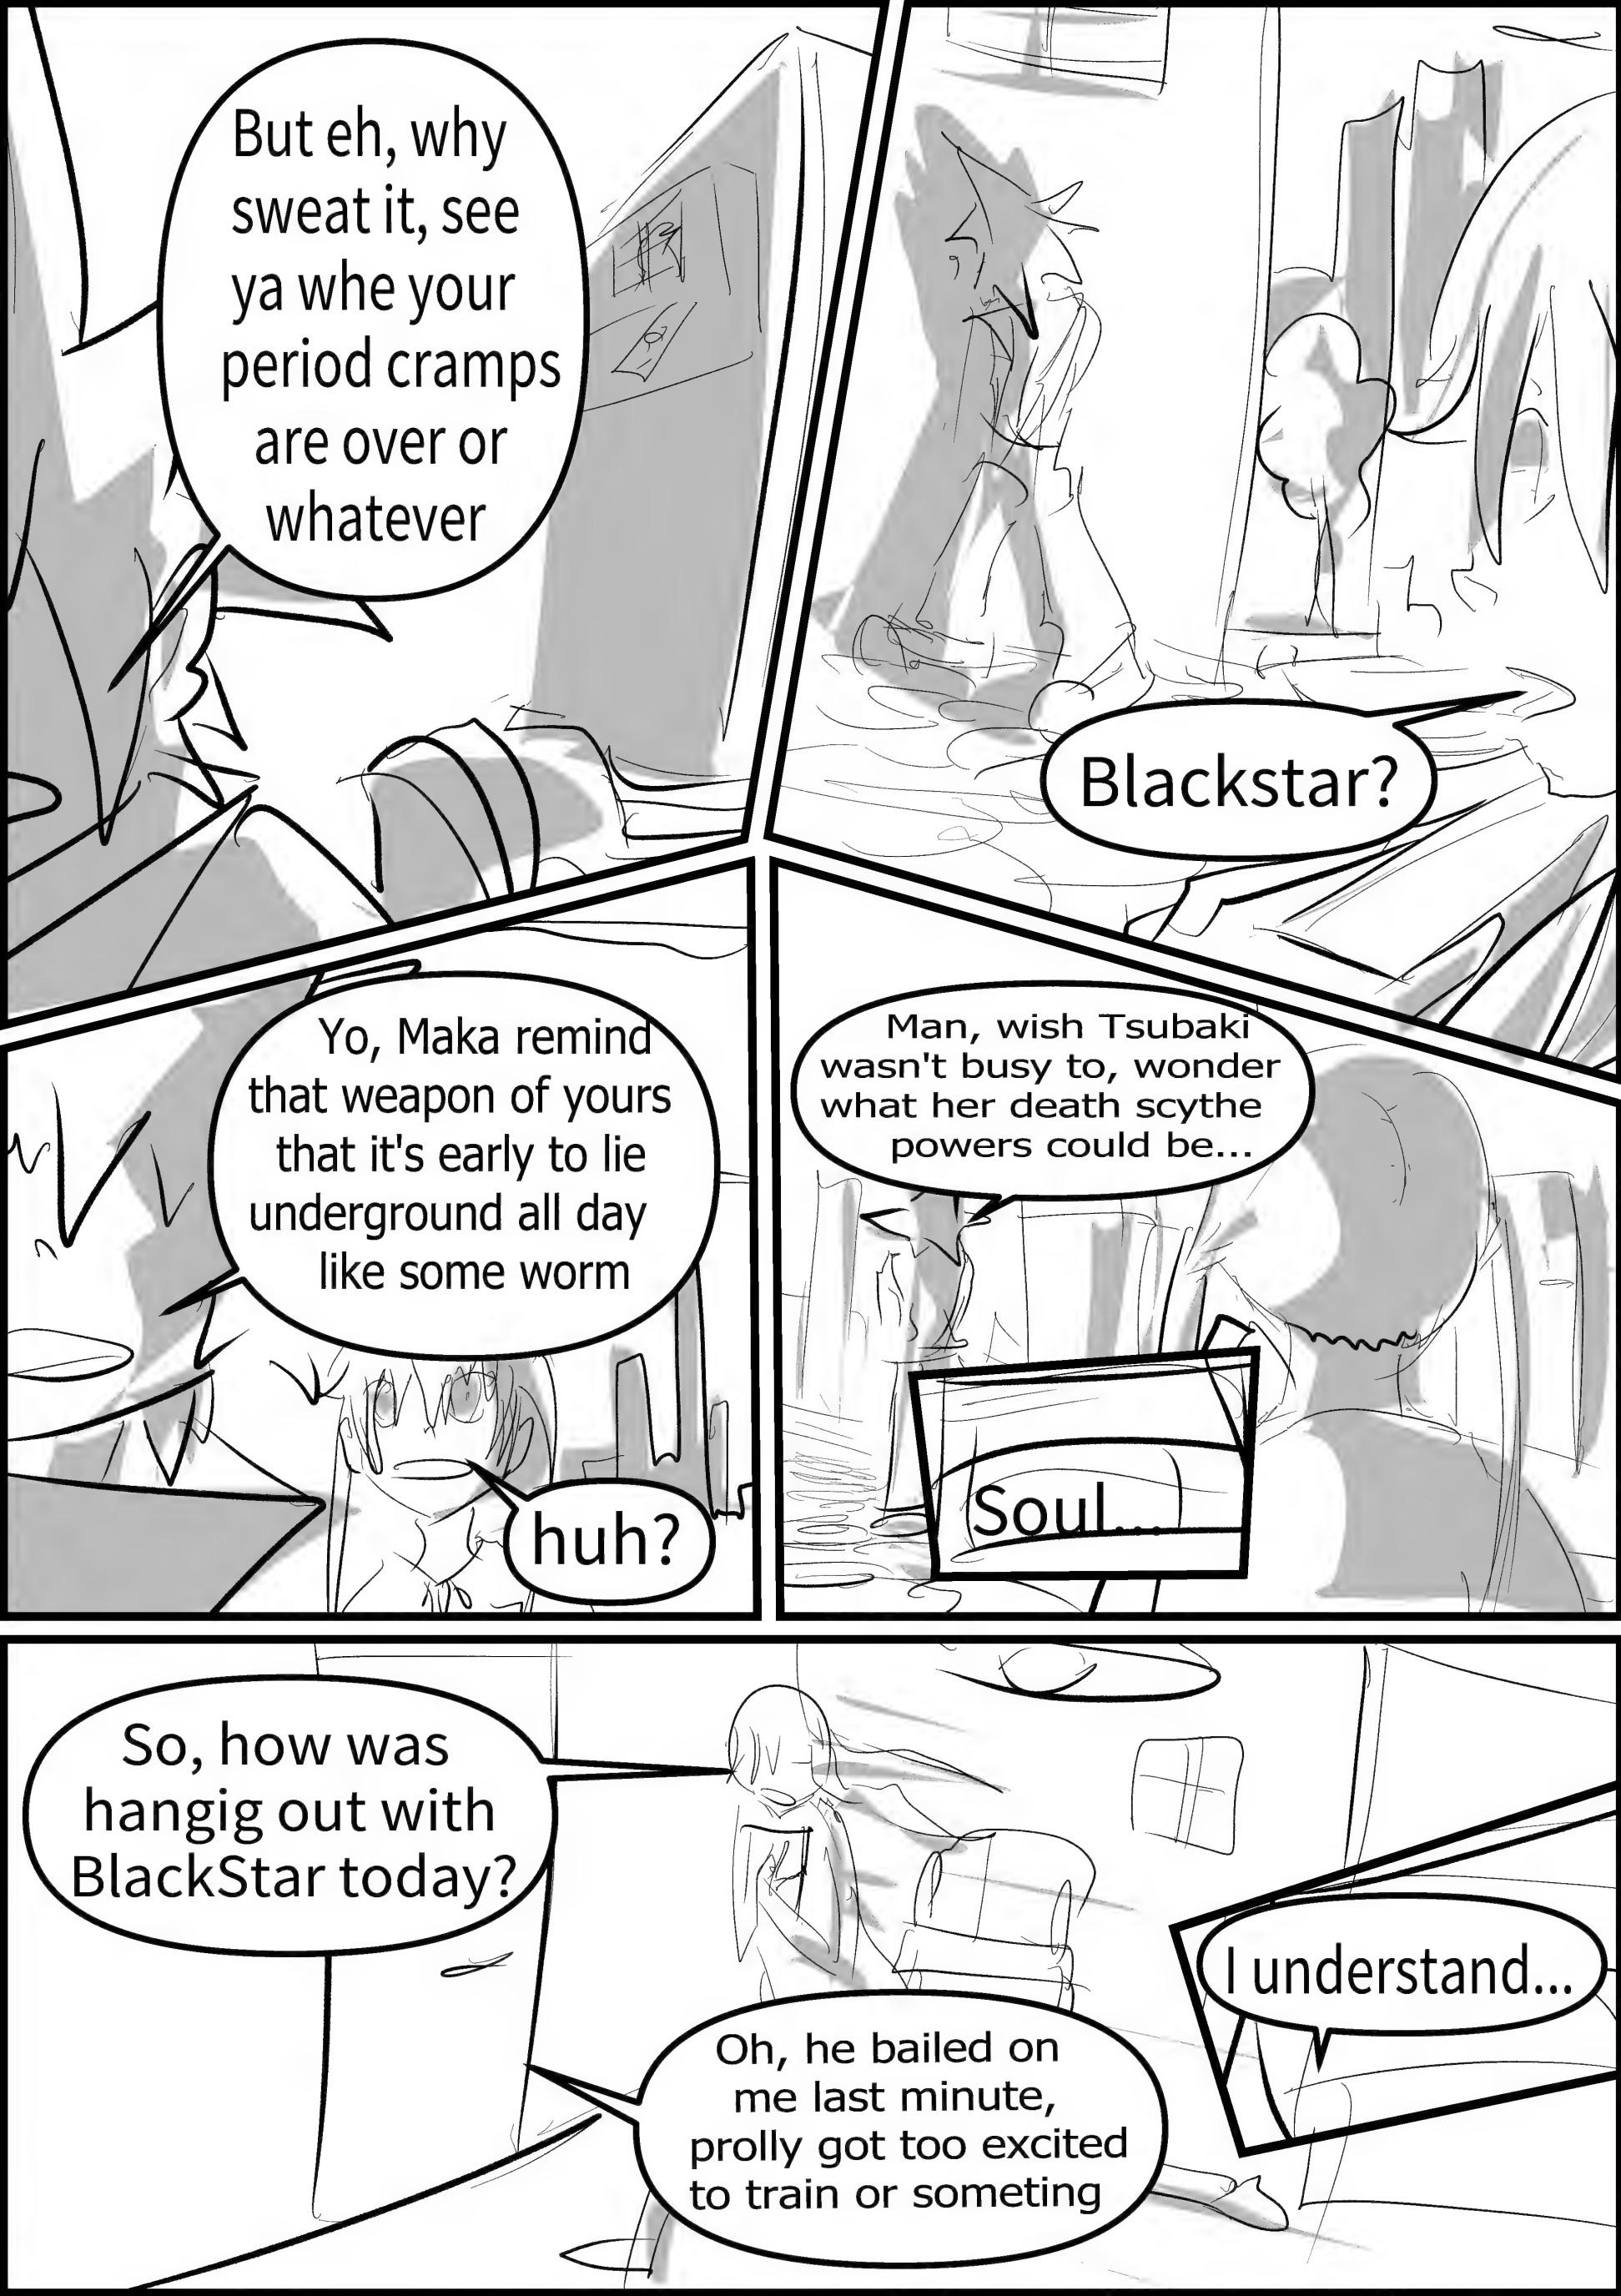

I told ya,
I'm busy

Tch, that's the best excuse
you could come up with?

Could atleast say you're
doing your weird beeps
and chirps you call music

Tch, your just top birdbrained to get it

Heh, don't get pissy, thought being
unable to handle banter was uncool...

But eh, why sweat it, see ya whe your period cramps are over or whatever

Blackstar?

Yo, Maka remind that weapon of yours that it's early to lie underground all day like some worm

huh?

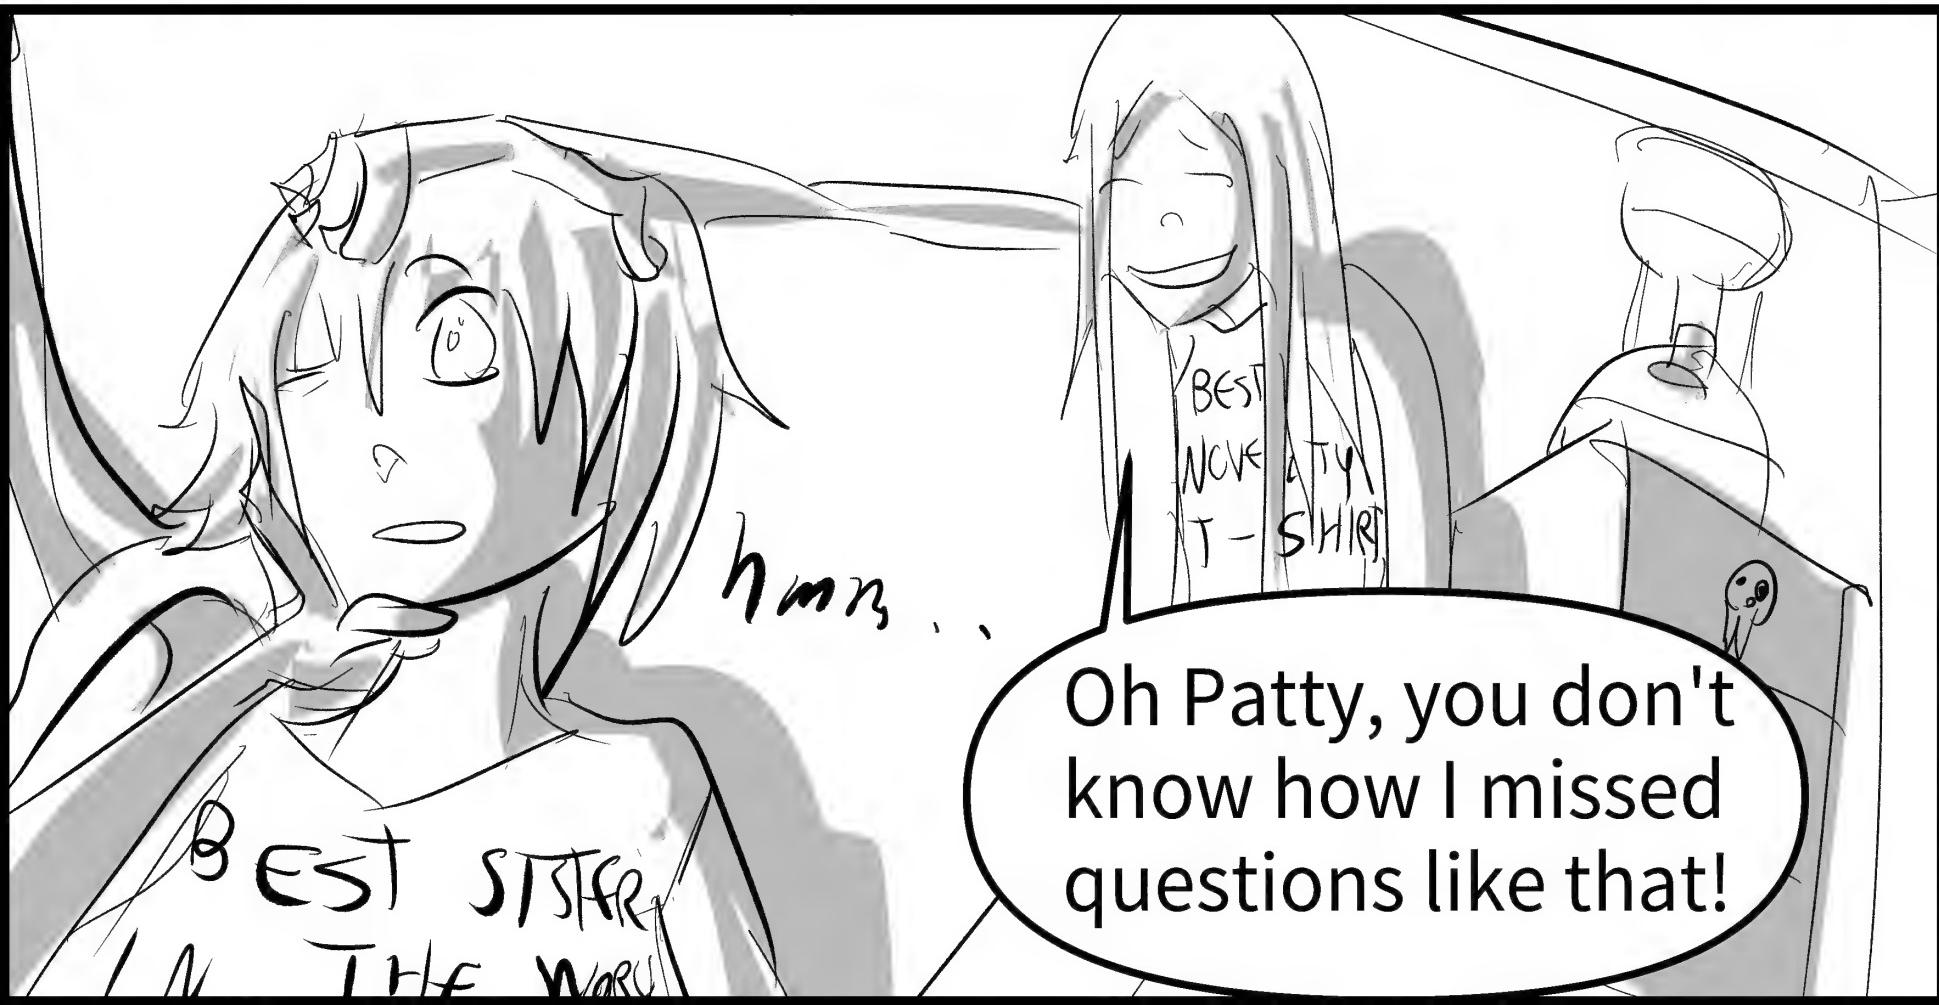

Man, wish Tsubaki wasn't busy to, wonder what her death scythe powers could be...

Soul...

So, how was hangig out with BlackStar today?

Oh, he bailed on me last minute, prolly got too excited to train or someting

I understand...

You know what, we should get the gang back together and throw you a welcome back party!

That's the spirit!

Yeah, then we can make a Kid rescue plan!

And then we can take out the worm for a rodeo!

Heh, maybe even if tempting, lets slow down with the ideas before the whole town gets trashed

I think its
a balloon

It's gonna
pop you like one
retard

Next day...

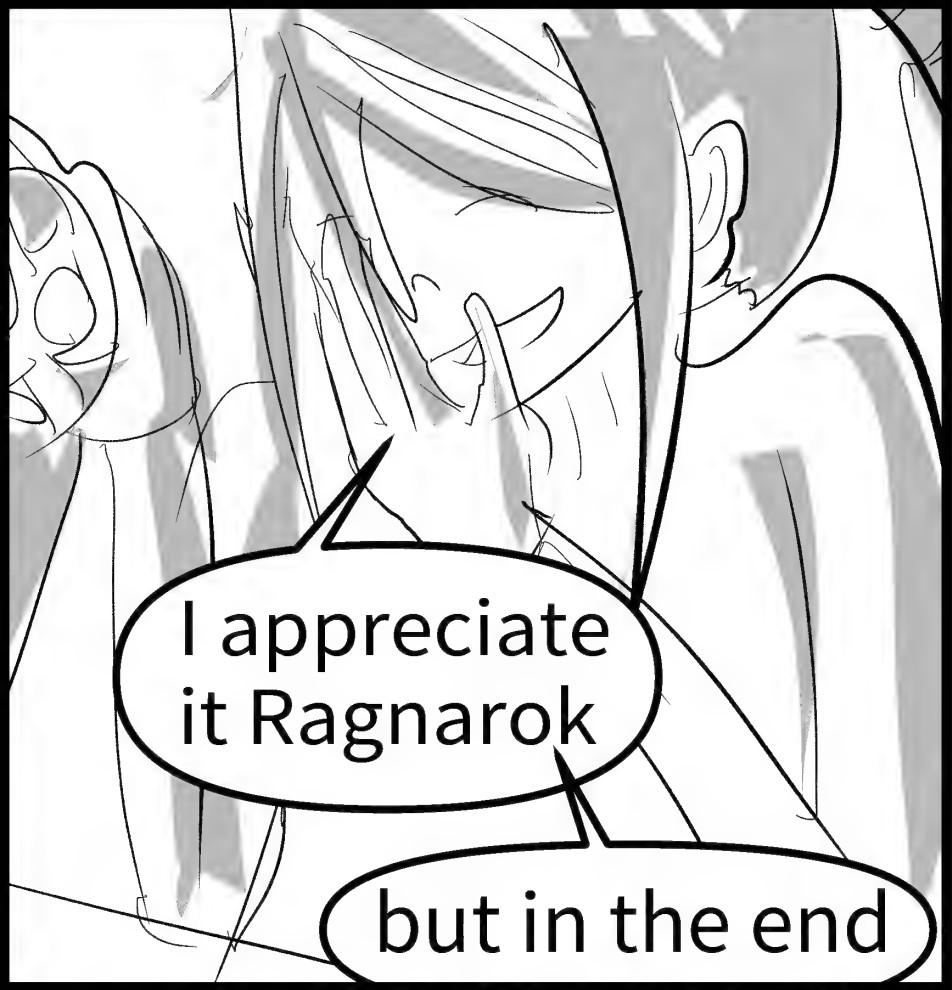

Wow, this table
is great without
Kids "proper sitting
arrangement"!

So Tsubaki,
how does it
feel to earn
money with
your own
hands?

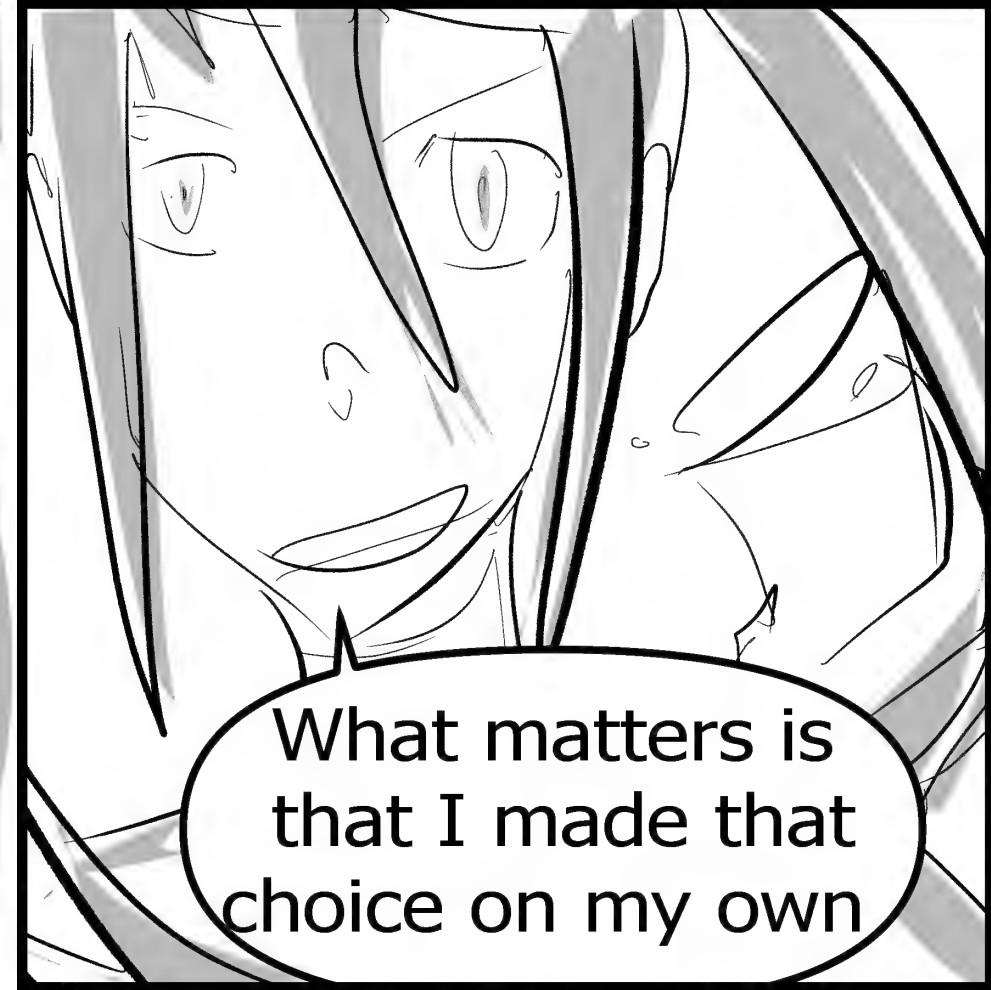

Well, it isn't
easy but it is
rewarding

Just don't
let them push ya around or
I'll gonna
teach them a
lesson!

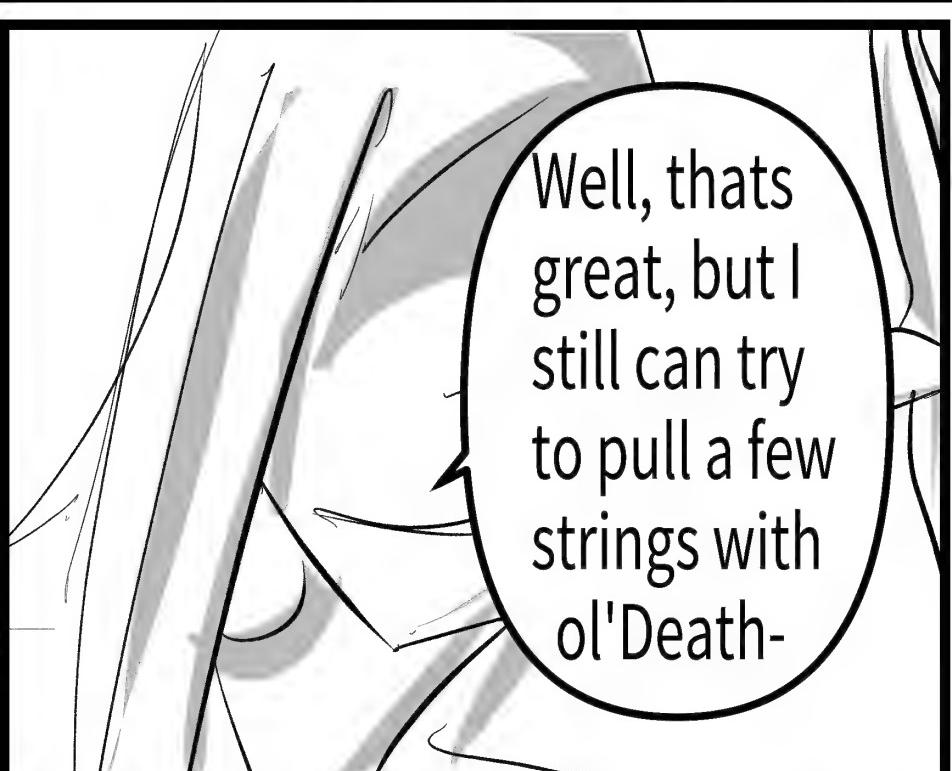

That will only
make it worse

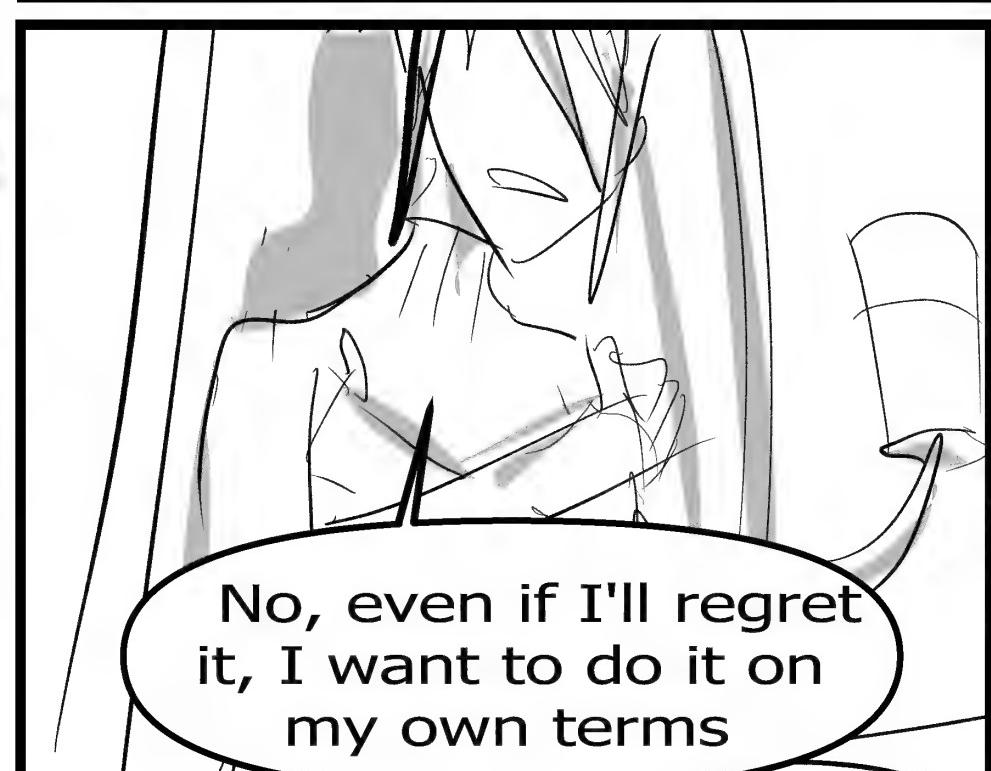

I appreciate
it Ragnarok
but in the end

What matters is
that I made that
choice on my own

Well, that's
great, but I
still can try
to pull a few
strings with
ol'Death-

No, even if I'll regret
it, I want to do it on
my own terms

Oh Liz,
can I quit
school too?
I allways wanted
to try out as a
rodeo clown, and now
with my experience-

ha ha
hehe.
classic
patty.

Hey Soul...

Is everything-

"-alright", asking again?

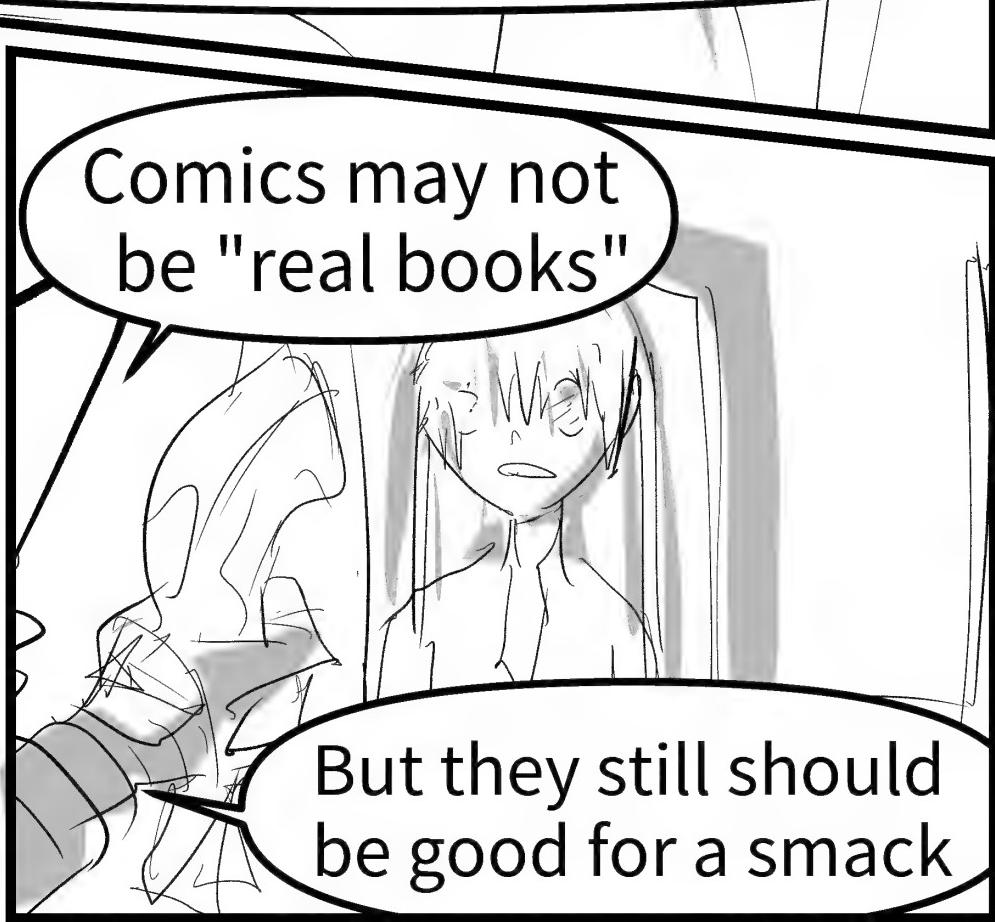

You really are
annoying, did
I ever tell you
that?!

Sorry, I won't bother you again....

Here Maka

Comics may not
be "real books"

But they still should
be good for a smack

Oh you think
you're a great
comedian too
now, huh?

Worry about your
own problems

Like your weapon
being a better meister
than you

(this will end badly)

(I have to tap into my
dark inherited curse
just this once...)

huh?
Oh yeah, how
where you able
to do it Tsubaki?
Weilding another
weapon must be
very difficult to
deal with...

To be honest,
it was a spur of
the moment
decision

I didn't even
fully realise the
extent of it till
it was over

And yet
lord death
treated you
like that..

Yeah, you should
like gotten a cafeteria
voucher, atleast!

Haha, my
weapon has
to be as great
as me!

Don't
start
this shit
again

No no, no need
to compliment-
Wait, this actually
feels nice...

Yeah Tsubaki,
we can all learn
from you

the dark art:
changing the topic to cool
everyone off..

It seems like it worked

But still, Soul

What is bothering you?

I wish I could help,
but what can I do?

As if a worm
could console a hawk

Pass me the XL minidogs!

Huh- You mean the regular hotdogs- Sure

But maybe we are being too harsh with Lord Death, he may just not be all up there anymore...

Well more reason to get Kid back before the old reaper moves out to crazy town

Maybe at an upcoming Death Scythe meeting you can convince everyone, including him, to help?

Yeah with papa and the others there, he will have to take it seriously!

hmm...

I doubt he would invite me...

My plate!

RACK

Then lets go outside
and make him invite you,
with a demonstration

You
stupid

I wanted to check
out Tsubaki's ability
for a long time!

This
mess
you just
made
asshole

Maybe that's not a bad
idea, I can weild Patty too,
and Maka can Soul-

YEAH, I'M OUT

Thanks
for the
food

xthvJx

Soul!

I'm not
feeling
good
today

Patty, I told
ya, only 1 drop!

Hehe, must overdone it with
the extra spicy hot sauce again

I wish

it was

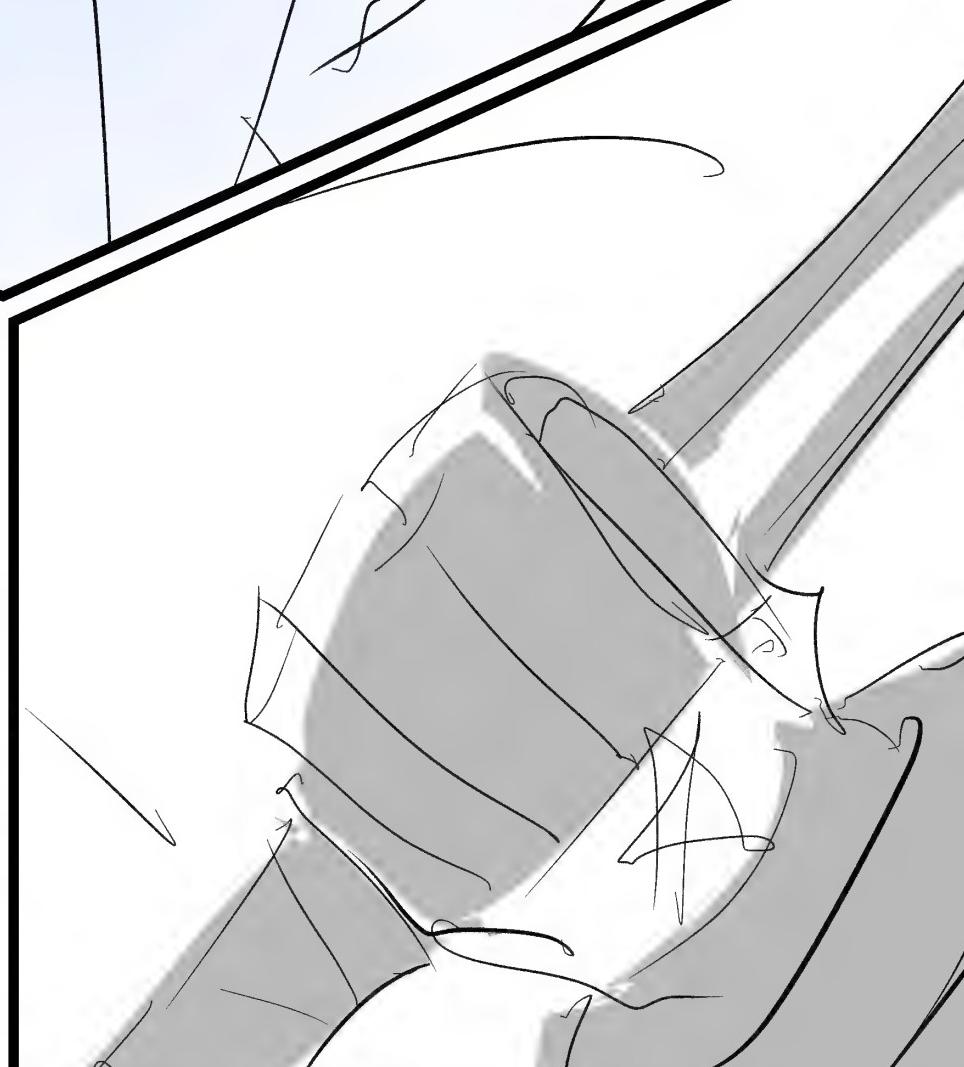

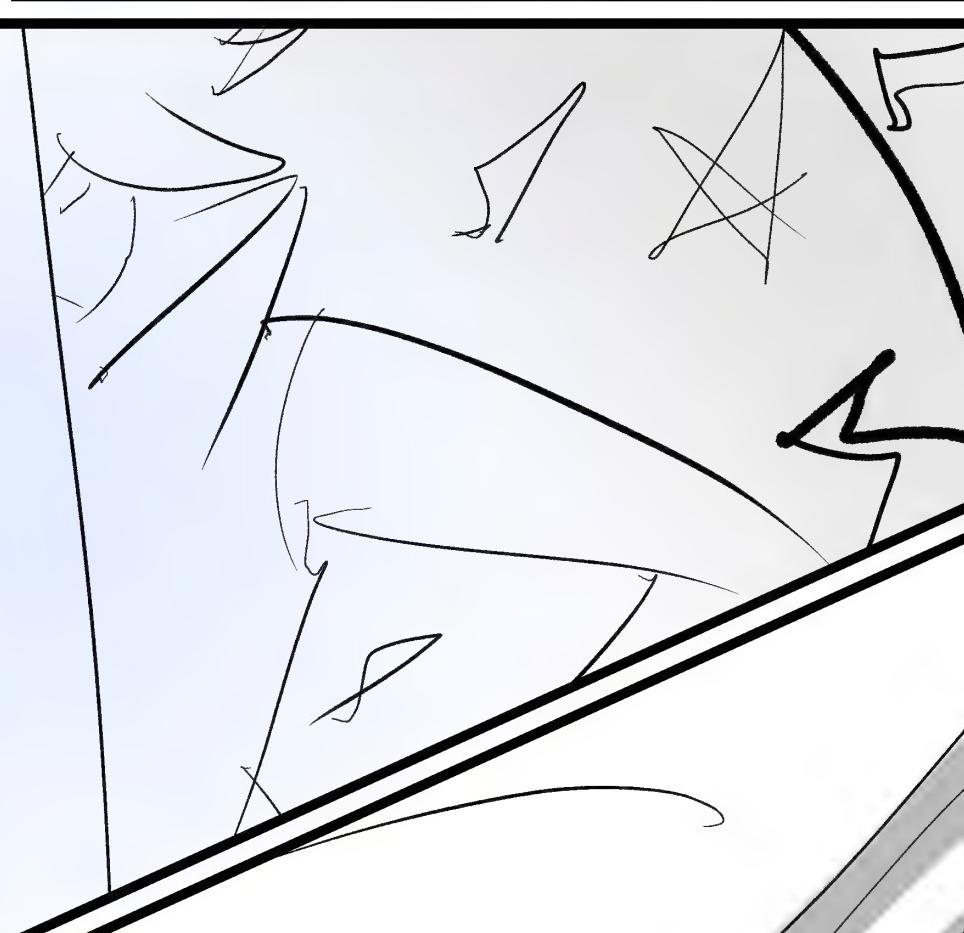

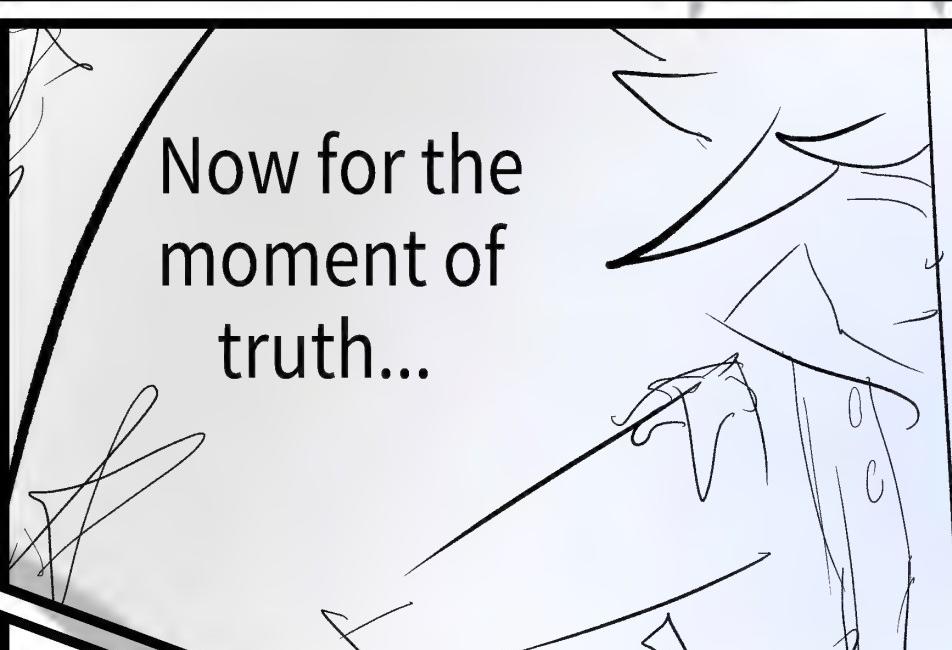

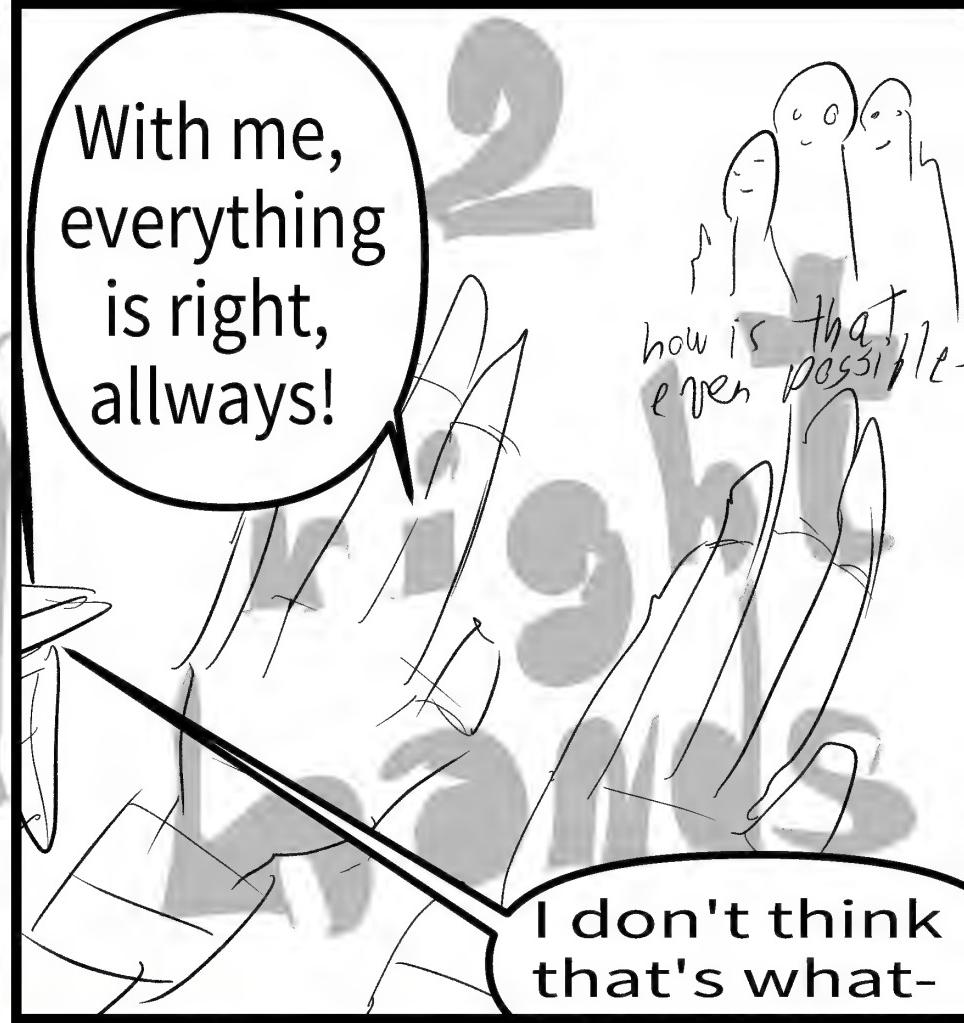

as
trivial
...

Ok,
let's
do it!

swish

Weird...

Yahoo!

Wow!

Awesome, now
we'll never run
out of skewers
for shish-kebab

WHAT?!

That's the
best thing
you can come
up with?

Everyone likes
a good BBQ

But sucks if you can only
double your weapon form
and not yourself,

imagine
how many chores you
could do on your own!

So, with Tsubaki and Soul
both gone:

What now?...

My time
to shine!

Wow, what an-, eh-,
out of this world look

Wish

Is this
really a
good
idea?

BUZZ

Trust me, I
had a whole
arc about
learning
responsibility
or something

BUZZ

should
call the
ambulance
not

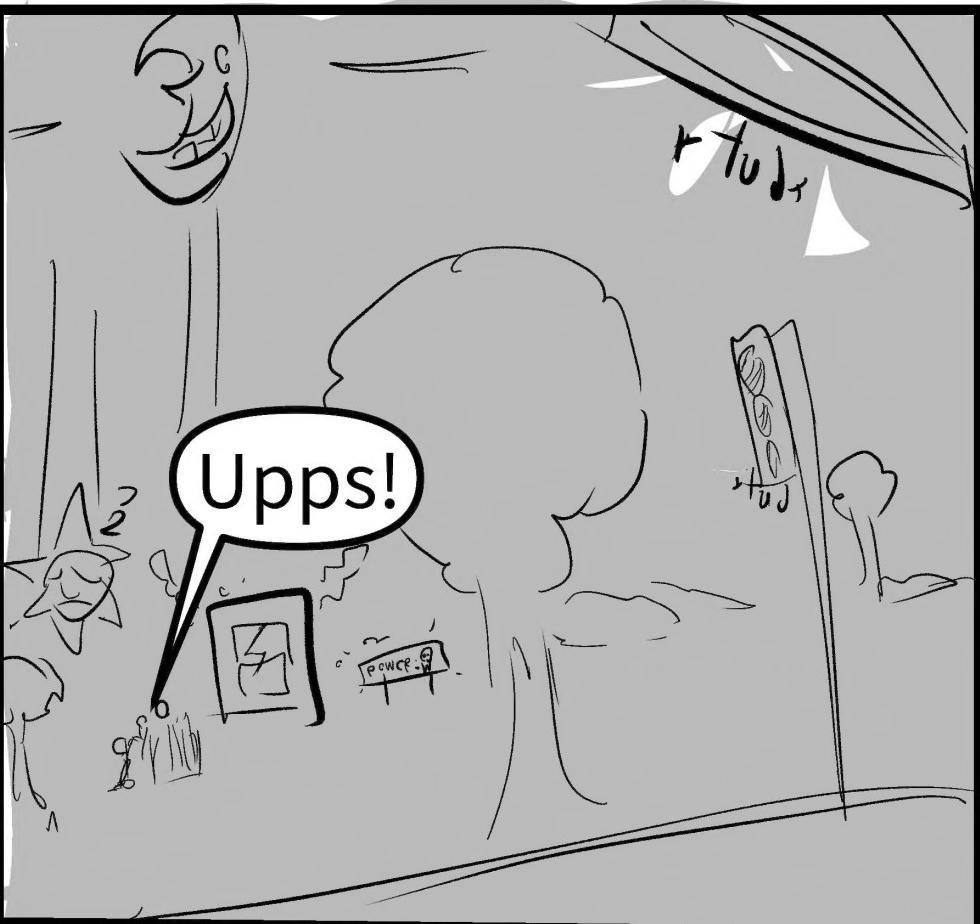

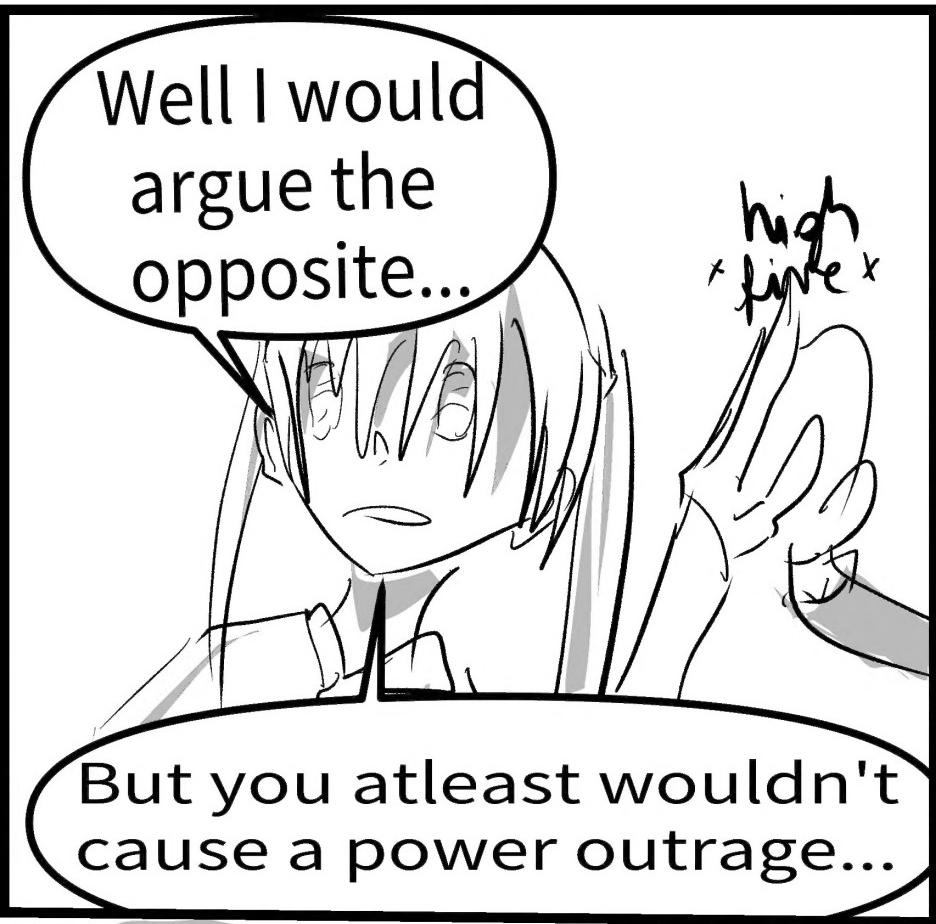

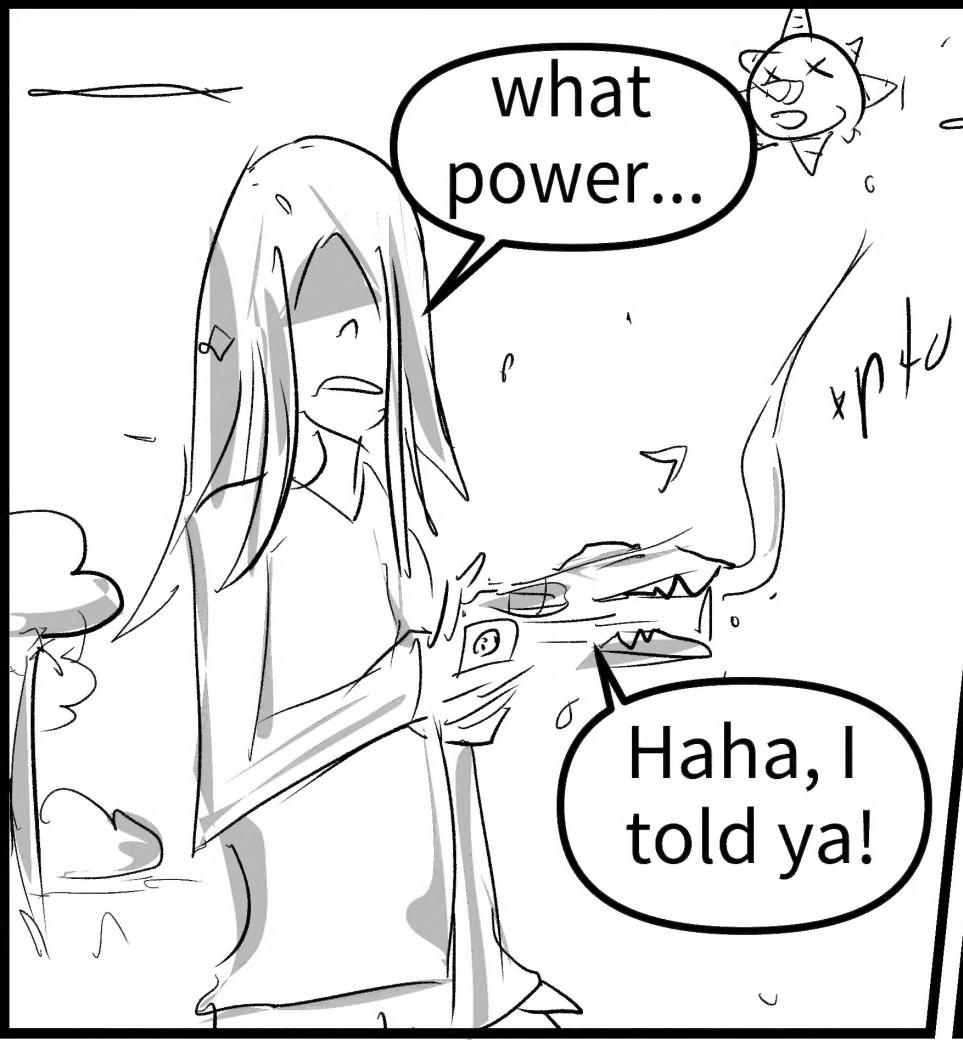

ZAP

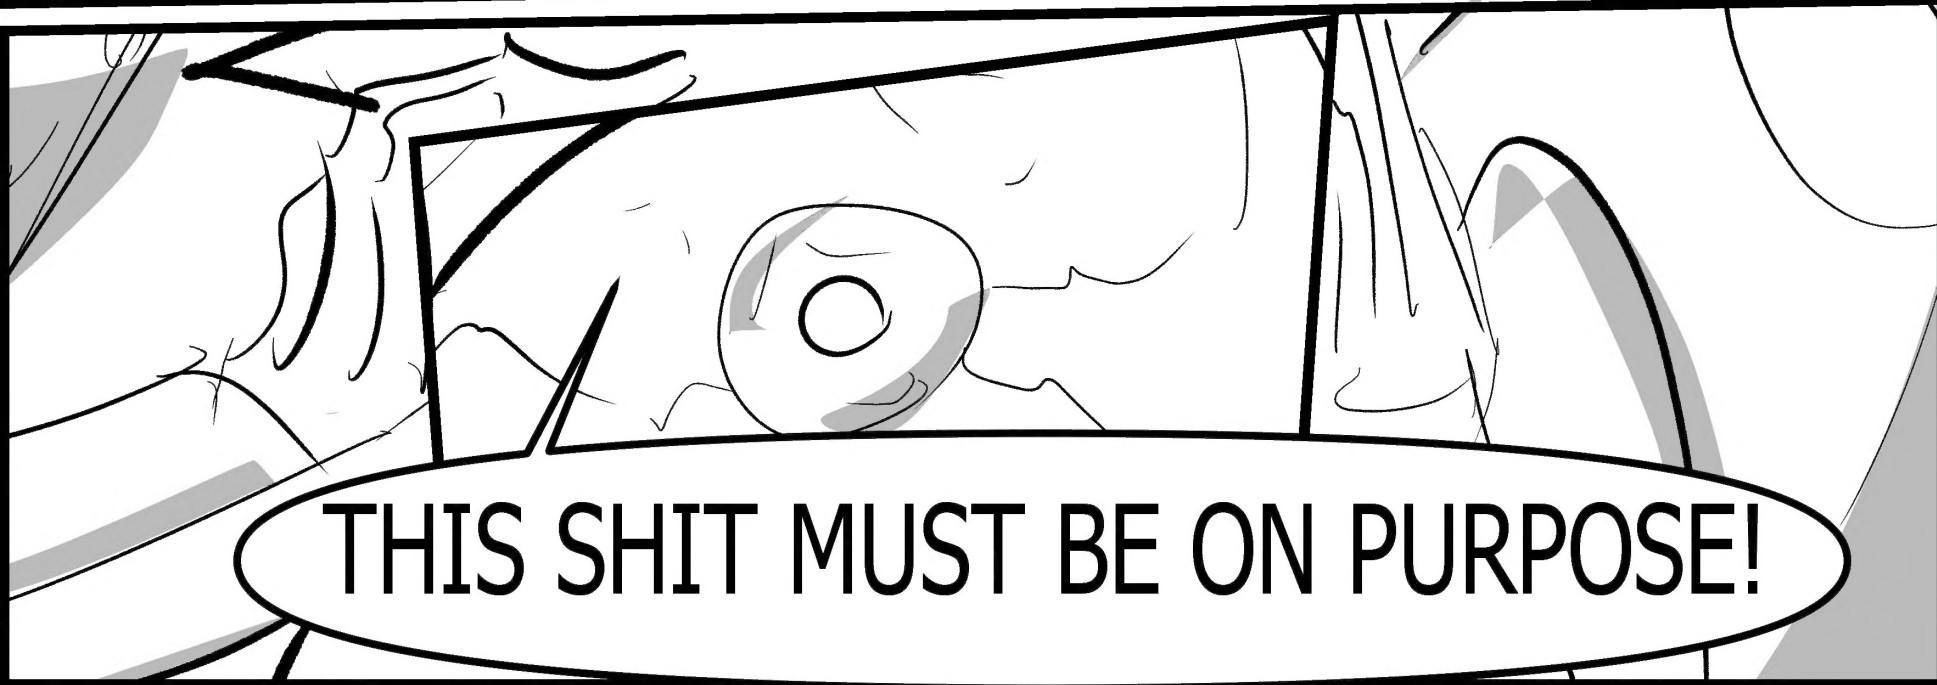

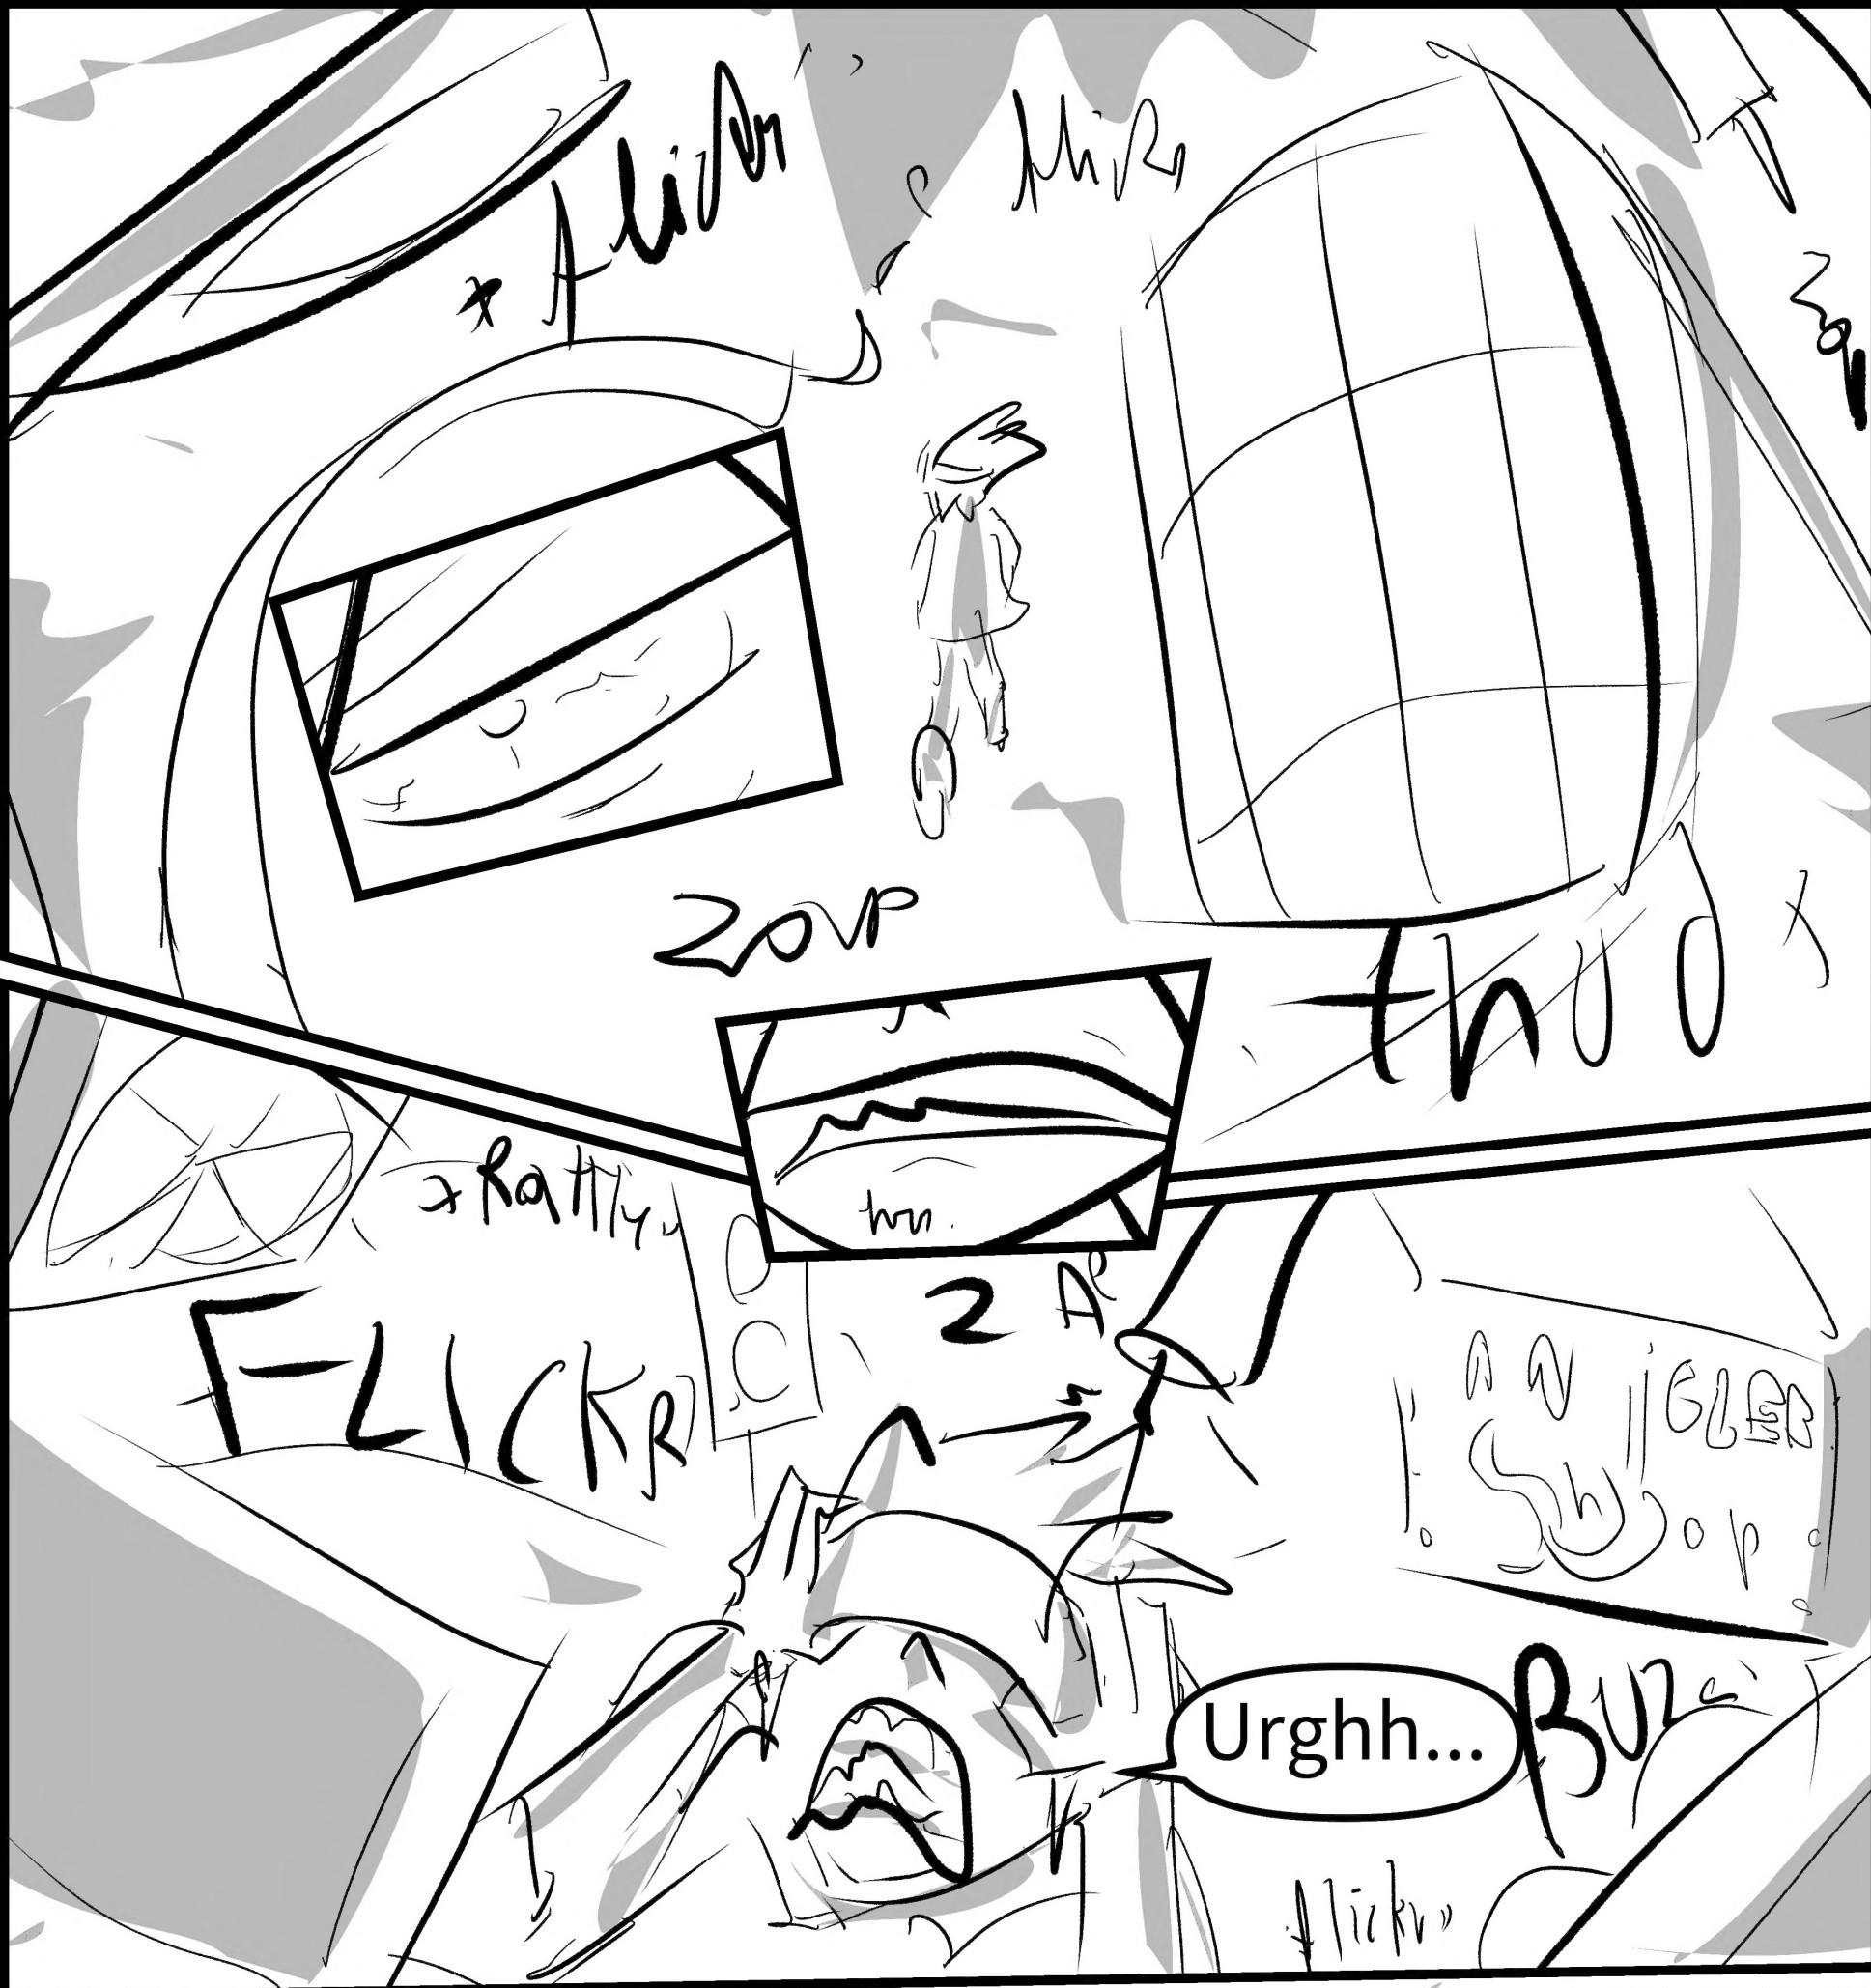

That's too
much energy!

Aim up
Liz, or
we will
blow up
something!

Let's pray no
airplane is in
the sky!

7
2
2
And how did this thing get here!?

Is this Patty's "little" pet?

What a disgusting

overgrown worm

Heh, yet today I feel as if it was some spirit animal shit...

Ugh, nasty-ass tentacles-
